

CONSTRUCTION & DEMOLITION *RECYCLING RESOURCES*

Top Incentives to Reuse & Recycle Construction & Demolition Materials:

1. Donating & recycling construction material saves money by cutting landfill costs.
2. There can be a significant tax savings when donating construction materials.
3. Reuse & recycling preserves the value of building materials, creates a local source of building supplies, & reduces the demand for virgin materials.
4. Prevents precious materials from going to the landfill.
5. It is required by many Boulder County Building Codes.

Resource Conservation

How to successfully reuse & recycle deconstruction materials:

1. Create a work plan for correct reuse & recycling distribution of deconstruction materials & make sure your contractor can give you proof that they are recycling your materials.
2. Search for **Jobsite Construction Recycling Checklist** on the Boulder County's website: www.bit.ly/boco-b50
3. Contact Resource Central at (303) 419-5418 or www.resourcecentral.org for help with your deconstruction plan.
4. Contact a recycling hauler or drop-off location for your materials from the provided list.
