Important Things to Remember:

- The commissary facility must be acceptable for the food volume and preparation methods used and have the necessary equipment and storage capabilities for the operation.
- The commissary must be constructed and operated in compliance with the current requirements of the Colorado Retail Food Establishment Rules and Regulations.
- A facility inspection of the commissary by Boulder County Public Health may be required prior to use by the operator to determine if it is adequate for the intended use.
- Mobile units must report to the commissary every 24 hours on operational days for all supplies and cleaning and servicing operations.
- The use of a licensed facility by an unlicensed operation may put the licensed facility operator's license in jeopardy.
