

# Critical Wildlife Habitats and Migration Corridors

## Environmental Resources Element

### Critical Wildlife Habitats

An area of unique habitat which has a crucial role in sustaining populations of native wildlife and in perpetuating and encouraging a diversity of native species in the county. The area may be significantly productive habitat or particularly vital to the life requirements of species that are critically imperiled or vulnerable to extirpation.

### Wildlife Migration Corridors

A specific, delineated area of known elk migration movement for a major elk herd in Boulder County

Note: Map scale and reproduction method limit precision in physical features and boundary locations.
