This permit is granted to the applicant with express understanding that this applicant will comply strictly with the following conditions:

- All work performed will be in accordance with the current Boulder County Road Standards and Specifications, the recorded subdivision agreement, and the plans approved by the Boulder County Transportation Department, all attached hereto and made a part hereof.
- No variance from the above-mentioned standards, specifications, plans or agreement will be undertaken without the express, written approval of the Boulder County Transportation Department.
- All inspections must require at least 24 hours notice to the Boulder County Transportation Department. Any work completed without the appropriate inspections shall be subject to rejection by the Boulder County Transportation Department.
- No work will commence prior to a pre-construction conference to be held by _____ (date).
- All labor, materials and equipment to complete the work will be furnished by the applicant at no expense to Boulder County.
- All required material tests will be conducted at no expense to Boulder County. Results will be submitted to the Transportation Department. No course or stage of construction will be undertaken prior to the approval by the Transportation Department of test results from the previous course or stage of construction.
- Excavation operations will conform to the appropriate standards established by the Occupational Safety and Health Administration (OSHA) and the Industrial Commission of the State of Colorado.
- Construction shall be maintained and conducted in such a manner so as to present a minimum hazard to the safety and convenience of the general public and shall not interfere with access for any residence or business adjacent to this project.
- The permittee shall indemnify and hold harmless the County of Boulder and all employees or officers of the County of Boulder from any responsibility for damage or injury to any persons or public or private property that may be caused by construction authorized by this permit.
- This permit shall be posted on the construction site at all times and shall be surrendered for inspection upon demand.
- This permit will expire on the date of expiration for the letter of credit pertaining to this work; or one year from the date of its approval., whichever is sooner.
- NON-COMPLIANCE WITH THE CONDITIONS SET HEREIN SHALL CAUSE THIS PERMIT TO BE REVOKED IMMEDIATELY.**

I/we hereby acknowledge and agree to the above-conditions and requirements.
