

Signing Up For Electronic Property Tax Notices From The Boulder County Treasurer

Important Reminders:

- Not only can you receive tax notices electronically, but you can pay your property taxes online as well. Visit <http://www.bouldercountytreasurer.org> and click the “Look Up/Pay Property Taxes” button to get started.
- Electronic notices will be sent in lieu of paper notices via regular mail. You will not receive a paper tax notice if you sign up for electronic property tax notices.
- Electronic notice delivery will begin in the year following your request. If you sign up in 2016, your first electronic notice will be the one we provide in 2017.
- You can stop receiving electronic tax notices after signing up by contacting our office at 303.441.3520 or by e-mail at treasurer@bouldercounty.org.
- When you sign up for electronic tax notices, all accounts under that ownership will be included in that request. The affected accounts will be shown to you during sign-up. Our system does not allow us to add only some of these accounts for electronic notice delivery and leave others to be delivered on paper.
- Property taxes are due and payable *whether or not you receive a tax notice from our office*. Please make sure to add treasurer@bouldercounty.org to your e-mail account’s list of trusted senders and to contact our office if you haven’t received your ENotice by February 1st.

9. You will see the verification screen again, with a message that your e-mail address has been validated. **You have successfully signed up to receive tax notices electronically.**

10. If you enter your ENotice code incorrectly or enter an invalid e-mail address, you will receive an error. Just re-enter them correctly and click “Verify Email” again.
