Built Environment Field Trip

Bill Ellis and Ron Gruchow, co-chairs of the Built Environment subcommittee, led a “field trip” to demonstrate and discuss the point system they developed which could be used as an alternative way to measure compatibility in the Site Plan Review process. The group primarily observed a few existing houses in the Allenspark townsite, Triple Creek, Raymond, and points between. The group discussed how visual impacts could be better evaluated through the Site Plan Review process.

Next Meeting: Thursday, June 28, 2012 at 6:30 at the Allenspark Fire Station
Topic: Meeting prep for the Saturday, July 14, 2012 meeting at Highlands Camp
