

## Market Areas and Neighborhoods

Market areas (Mkt Area) often contain multiple neighborhoods (NBHD). Use the tables below to find either the Market Area which contains a neighborhood, or visa versa.

| Sorted by Neighborhood |      |      |      |      |      |      |      |
|------------------------|------|------|------|------|------|------|------|
|                        | Mkt  |      | Mkt  |      | Mkt  |      | Mkt  |
| NBHD                   | Area | NBHD | Area | NBHD | Area | NBHD | Area |
| 101                    | 107  | 136  | 401  | 178  | 201  | 425  | 403  |
|                        | 630  | 137  | 401  |      | 202  | 430  | 403  |
|                        | 631  | 140  | 105  | 201  | 502  |      | 407  |
| 102                    | 101  |      | 108  |      | 506  |      | 632  |
|                        | 630  |      | 630  |      | 633  | 440  | 404  |
|                        | 631  |      | 631  | 202  | 502  |      | 405  |
| 103                    | 101  | 142  | 105  |      | 506  |      | 407  |
|                        | 631  |      | 108  |      | 633  |      | 632  |
| 105                    | 101  |      | 630  | 203  | 502  | 445  | 404  |
|                        | 108  | 144  | 301  |      | 506  |      | 405  |
|                        | 630  |      | 304  |      | 633  |      | 406  |
|                        | 631  | 145  | 301  | 204  | 502  | 450  | 405  |
