

ADDENDUM #1
Boulder County Housing Authority
Pest Control
RFP # 6721-17

November 8, 2017

The attached addendum supersedes the original Information and Specifications regarding RFP # 6721-17 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

1. Question: Can you please confirm the unit totals?

ANSWER: The unit totals for each site in Attachment A are correct. Please note that each individual unit will not receive monthly preventative maintenance. The monthly preventative maintenance is just for the perimeter of the exterior of the building areas (and the interior common space of Josephine Commons). Issues with individual units would be serviced on an on-call, as needed basis.

2. Question: How do you want to work with us regarding the “systematic inspections” for bed bugs? We have several options. We can inspect all the units on a quarterly basis? Twice a year? Or we can set aside one day a week for inspections?

ANSWER: Bed bug inspections would occur on an as needed basis as issues arise.

3. Question: How do you want to address spiders, ants, and rodents in units? Do you want these serviced on an on call as needed basis?

ANSWER: Issues with individual units would be serviced on an on-call, as needed basis.
