

**ADDENDUM #1
Transportation
Mobility for All Ride-Hailing Pilot Program
RFP # 6733-17**

December 20, 2017

The attached addendum supersedes the original Information and Specifications regarding RFP # 6733-17 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

1. Question: Based on the provided budget, do you have idea how many residents, passengers or riders will use the program within the 6 months pilot program?

ANSWER: We do not have an idea at this point. There are 144 households included in this pilot, but it is unclear how many will participate.

2. Question: Do you have any preferred vehicle capacity (e.g. 4 passengers, 7 passengers, 11, passengers) for this program?

ANSWER: It is likely that 4 passenger vehicles will be used most frequently, but we are not limiting how residents use the transportation credits.

3. Question: Do you have exact time of ride service? (e.g. from 6:00am – 5:00pm etc.)

ANSWER: We are not limiting when residents can use the transportation credits. One of the objectives of this pilot program is to discover unmet transportation needs.
