

**ADDENDUM #1
Transportation
Bituminous Asphalt for Roadway Maintenance, Patching and Overlay Projects
BID # 7011-19**

February 12, 2019

The attached addendum supersedes the original Information and Specifications regarding BID # 7011-19 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

1. Question: Is there an estimated quantity for Cold Mix and/or packaged pothole patching products?

**ANSWER: Cold Mix – Standard – 6-8 pallets
Cold Mix – Water base about 6 pallets**

2. Question: What would the minimum pick up order be for Cold Mix and/or packages pothole patching products? (bag qty, pallet qty, etc...)

ANSWER: Usually a pallet

3. Question: My question is in regards to the Submittal Section, (Page 8) from the Invitation to Bid. The first five items appear to be in reference to the bid package as if we were a contractor performing the work for Boulder County rather than the HMA material supply.

Would it be acceptable to respond to those items in the bid package with an N/A, (not applicable) when submitting this bid?

Listed below are the items from the Invitation to Bid I am specifically referring to:

- Name and Address of the Partners and Subcontractors is applicable

- A detailed project schedule with an all-inclusive total cost
- Information on the relevant experience of key personnel
- Submit a copy of any contract you would require to be executed in this process
- Submit three references for similar projects your company has completed within the last three years and contact information

ANSWER: Yes, N/A is an acceptable answer.
