### Key/Definitions:

<sup>1</sup> Total Trip Reports/Participants is the grand total of each monthly total number of people who reported trips

<sup>2</sup> A Green Trip is a one-way trip between home and school using a mode of transportation other than a single family vehicle

<sup>3</sup> Steps are calculated using an age-adjusted formula from the National Center for Safe Routes to School

<sup>4</sup> Each Tracker Buck is a \$1 reward earned by taking Green Trips that can be spent at participating locally-owned businesses

<sup>5</sup> Car trips and car miles are measured from the baseline pre-Trip Tracker typical number of car trips for each household. The ratio of lbs of CO<sub>2</sub> emissions to car miles is approximately 0.92:1 (EPA, 2014)

**A MESSAGE FROM THE TRIP TRACKER PROGRAM**

Fall River Elementary and PTO: Thanks to your partnership and wonderful parent volunteers, we have empowered students, staff, and their families to make healthy & environmentally friendly decisions that benefit the entire community. The Trip Tracker Program remains free to your school, but please consider making a contribution of 5% to 10% of Fall River's total Tracker Bucks earned last year. This would be \$246 to \$492.
