

Thank you for participating in Trip Tracker by reporting trips! We love having your data, and we want to reward you for making “Green Trips”, but unfortunately you did not make enough last month to earn a Tracker Buck. Remember that you need to make at least 5 Trip Tracker trips to earn 1 Tracker Buck which is worth \$1 at Trip Tracker Businesses. Keep making great choices and aim for 5+ trips this next month. Each month starts a new round of Trip Tracking & Reporting. Please reach out if you have any questions: triptracker@bouldercounty.org or 303-441-3935.
