E-Bike Trail Regulations

E-bikes are allowed on all roads.

The trails on this map span multiple agencies and may have differing regulations. For information on specific trails, please visit the webpage of the specific trail and managing agency.

Regulations apply to Class 1 and Class 2 e-bikes, which offer power assist up to 20 mph. This does not mean speeds of 20 mph are appropriate on trails.

The user agrees to all Terms of Use set forth by Boulder County. For Terms of Use, please visit: www.bouldercounty.org/mapdisclaimer.
