PROPOSAL INSTRUCTIONS

1. Purpose/Background

This is the sixth year this RFP has been issued by Boulder County for forestry contractors to be included on the Wildfire Partners Forestry Contractors List to bid on and complete defensible space and zone 3 hazardous fuel reduction projects for participating homeowners. Every year new contractors have been added to the list. There are typically between 8-12 contractors on the list. Contractors on this list are eligible to bid on smaller zone 3 projects. They are not eligible to bid on the zone 3 projects listed in SOQs 7105-20 and 7106-20. Contractors wishing to bid on these zone 3 projects must respond to SOQs 7105-20 and 7106-20.

From 2015 to 2019, Wildfire Partners Forestry Contractors completed 621 defensible space jobs totaling \$1.5 million with Wildfire Partners Financial Awards equaling \$950,000 and the difference paid by homeowners. In 2014, Wildfire Partners provided refunds directly to participants instead of paying for a portion of their Wildfire Partners Forestry Contractor expenses. As a result, 2014 defensible space work is not included in the above totals. In addition, some residents hire Wildfire Partners Forestry Contractors to complete work that is not associated with a Wildfire Partners Financial Award, this work is also not included in these totals.

Launched in 2014, Wildfire Partners is a nationally recognized, collaborative program to reduce wildfire risk. Homeowners, with the assistance from Wildfire Partners, work to better protect their homes by actively creating and maintaining defensible space and reducing the ignition potential of their structures. The program has been funded in the past by participating homeowners, Boulder County, a \$1.5 million grant from the Colorado State Forest Service, and a \$1.1 million grant from FEMA. In 2019, Boulder County hopes to receive a \$1.2 million PDM grant from FEMA. Boulder County is issuing this Request for Proposals to help implement Wildfire Partners.

Homeowners apply to join the program. Applications that meet all program criteria are accepted into the program if funding is available. Over 2,000 homeowners are currently in the program. Wildfire Partners offers motivated homeowners many benefits:

- A comprehensive, on-site, wildfire home assessment with a Wildfire Mitigation Specialist
- A Wildfire Partners Assessment Report that identifies the weak links in a home's defenses and specific mitigation measures to be undertaken.
- Wildfire Partners Financial Awards to subsidize the cost of hiring a Wildfire Partners Forestry Contractor
- Free access to Wildfire Partners Phone Advisors
- Follow up visits and inspections with a Wildfire Mitigation Specialist
- For homeowners who pass their inspections, a Wildfire Partners Certificate, yard sign and letter stating that they have performed mitigation

Homeowners are required to actively participate in their home assessments so that they learn the principles and science of wildfire mitigation. Homeowners provide essential input to the Wildfire Mitigation Specialists as they mark vegetation for removal as part of the program. The specialists use an iPad assessment app to gather information, take photographs and evaluate 50 mitigation related questions grouped into 10 different categories (i.e., roofs, decks, zone 1, emergency preparedness). Following the assessment, the homeowner receives a customized report containing a Mitigation Checklist with their photos of items requiring mitigation. Homeowners obtain and select bids from the Wildfire Partners Forestry Contractors (partially funded by a financial award) and the Wildfire Partners Handyman/Handywoman and Home Retrofit Contractors (not supported by a financial award) to complete the work identified on their Mitigation Checklist. Wildfire Phone Advisors, along with the Mitigation Specialists, help homeowners navigate their individual steps in the process. To learn more about Wildfire Partners, visit www.WildfirePartners.org.

Specifications and a sample contract with a FEMA specific addendum are attached. The successful proposer shall execute the attached addendum as part of any contract with the county, and comply with all FEMA requirements set forth in that addendum.

SPECIFICATIONS

SCOPE OF WORK FOR FORESTRY CONTRACTORS

Training: All Wildfire Partners Forestry Contractors are required to participate in an annual training.

Contractors will work with two different categories of homeowners under this contract: 1) homeowners who are receiving financial assistance (a Wildfire Partners Financial Award) and 2) homeowners who are NOT receiving a financial award to help fund their defensible space work (these homeowners will be paying their entire defensible space costs). The first task for contractors is to determine each homeowner's category.

Steps for Homeowners Receiving a Wildfire Partners Financial Award

Participating Wildfire Partner homeowners are encouraged to obtain three bids, but they are not required to do so. The information below applies to both defensible space and the small zone 3 projects.

- 1. Site Visits and Providing Bids for Removal of Vegetation:** Contractors shall perform site visits with homeowners and provide them written bids. Contractor may NOT perform a site visit and provide a bid until after a homeowner has completed their home assessment and received their assessment report. All vegetation designated for removal will be clearly identified by a Wildfire Mitigation Specialist prior to the contractors visiting home sites. Contractors are not responsible for any identification or marking, and they shall not alter any vegetation identified or marked for removal. Contractors shall provide bids for the cost to remove and properly dispose of ALL identified vegetation—the entire defensible space job. They are NOT permitted to bid on select parts of the job. Contractors are encouraged to review a homeowner's assessment report during site visits before providing a bid.

2. **Wildfire Partners Financial Award:** Contractors shall not conduct any work until they receive a homeowner’s financial award via email from Boulder County. The financial award email will document the amount of funding Boulder County will provide directly to the contractor and the financial responsibility of the homeowner.
3. **Schedule and Complete Contract Work According to Wildfire Partner Specifications:** Contractors shall schedule and complete the defensible space work documented in their bids **after** receiving the award email. Homeowners will oversee contractors and approve work. Wildfire Partners specifications will be described during the mandatory annual training and documented in all continuing service contracts.
4. **Complete Forms (Invoicing):** Contractors shall submit invoices, not more than monthly, to Boulder County with the required information.
5. **Inspection:** Contractors will be required to return and complete, at no additional cost, any defensible space work that fails inspection.

Steps for Homeowners NOT Receiving Financial Awards

1. **Site Visits and Providing Bids for Removal of Vegetation:** Contractors shall perform site visits with homeowners and provide them written bids. Contractor may NOT perform a site visit and provide a bid until after homeowners have completed their site visits and their tree marking has been completed. All vegetation designated for removal will be clearly identified by a Wildfire Mitigation Specialist prior to the contractors visiting home sites. Contractors are not responsible for any identification or marking, and they shall not alter any vegetation identified or marked for removal.
2. **Schedule and Complete Contract Work According to Wildfire Partner Specifications:** Contractors shall be responsible for scheduling all work directly with the homeowners. Homeowners will oversee contracts and approve work.
3. **Payment and Paperwork:** Homeowners will pay contractors directly for the entire job.

MARKETING

Wildfire Partners will provide homeowners with its 2020 Forestry Contractors List when they are accepted into the program. Visit www.WildfirePartners.org (under “Our Team”) to view our 2019 list. Contractors are encouraged to have a website to assist with marketing efforts. Homeowners may contact contractors directly to inquire about a contractor’s services, experience and costs. In most cases, the more marketing and recruitment forestry contractors perform, the more projects they are awarded.

PAYING FOR AND SCHEDULING BIDS

Homeowners contact contractors directly to schedule a time to obtain a bid for a Wildfire Partners contract. Contractors shall return all calls and email inquiries within three business days. If they are too busy to respond within this deadline, they are required to update their phone and email messages to let participants know to expect a delayed response. Wildfire Partners pays contractors \$40 per bid for bids contractors do not win.

TREATMENT METHODS

Every defensible space job will be different (number of removals, the site conditions, the preferred disposal method, etc.). This RFP does not contain specifications for each contract. The following is a general description of treatment methods. All work performed is expected to be hand crew/manual treatments. Trees will be directionally felled, limbed, and bucked with chainsaws. Mechanical harvesters, skidders, and forwarders are limited by FEMA grant conditions. Slash may be hauled off-site or chipped and broadcast on-site according to program guidelines. Contract specifications for stump height, ladder fuels, equipment use, disposal of woody debris, yarding, chipping, environmental safeguards, erosion control, safety, conduct, and other items will be included in each continuing services contract and reviewed during the annual training.

PAYMENT

Contractors will typically issue multiple invoices and receive multiple payments for each defensible space job when there is a Wildfire Partners Financial Award: 1) one invoice and payment from the homeowner, and 2) one monthly invoice and payment from Boulder County (that may include several d-space jobs). Contractors shall submit invoices to Boulder County for projects with a financial award. Contractors are responsible for collecting payments from homeowners directly. Any work conducted on federal land shall be paid for by the homeowner. No work on federal land is allowed to be paid by a Wildfire Partners Financial Award.

QUANTITY OF WORK

This RFP is for a continuing services contract. As a result, select contractors are not guaranteed a minimum amount of work. Homeowners are responsible for obtaining and selecting their own bids. If they are receiving a Wildfire Partners Financial Award, they are free to select any bid they choose as long as it is from a Wildfire Partners Forestry Contractor identified through this RFP process.

TIMING OF WORK

Work will begin when contracts are signed and conclude **February 28, 2021**.

BOULDER COUNTY SAMPLE CONTRACT

THIS CONTRACT ("Contract") is entered into by and between the County of Boulder, State of Colorado, a body corporate and politic, acting by and through its Board of County Commissioners for the benefit of the [Department] ("County") and [Supplier] ("Contractor"). County and Contractor are each a "Party," and collectively the "Parties."

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Incorporation into Contract: The **Details Summary** is incorporated into this Contract. The **Contract Documents** are incorporated into this Contract by reference, except to the extent that the Proposal, if any is incorporated, contains any obligations placed upon County and not otherwise contained in this Contract.
2. Work to be Performed: Contractor will provide all labor and equipment and do all tasks necessary and incidental to performing the work as described in the **Details Summary** and **Contract Documents** (the "Work"). Contractor will perform the Work (a) in a good and workmanlike manner, (b) at its own cost and expense, (c) in accordance with recognized industry standards of care, skill and diligence for the type of work being performed, and (d) in strict accordance with the Contract.
3. Term of Contract: The **Contract Term** begins on the **Start Date** and expires on the **Expiration Date**, unless terminated sooner. All the Work must be performed during the **Contract Term**.
4. Payment for Work Performed: In consideration of the Work performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed the **Contract Amount** to Contractor in accordance with the **Contract Documents**.
5. Invoicing: Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor must submit an invoice to the County by the fifteenth (15th) day of the month following completion of the Work. All invoices submitted require the following components: Contractor's name and address (submitted W-9 address must match remit address), detailed description of services, dates of services, itemization of labor and materials costs, "Bill to: Boulder County" language, payment remittance address, payer, name and address, date of invoice, unique invoice number, and total amount due. Contractor must send all completed invoices to the **Invoice Contact** in the **Details Summary**. Email delivery is preferred by the County; County may require delivery of invoices by email. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract may cause a delay in payment. County may recoup any damages incurred because of Contractor's failure to submit invoices pursuant to the terms of this paragraph. County's acceptance or payment of an invoice will not constitute acceptance of any Work performed under this Contract.
6. Extra Time to Complete the Work: If Contractor cannot complete the Work by the **Expiration Date**, Contractor may request extra time to complete the Work. County, in its sole discretion, may grant Contractor additional time to complete the Work and, if so, will provide Contractor with written notice of the amount of extra time granted. County granting extra time to complete the Work will not entitle Contractor to additional compensation from County. This Contract will remain in full force and effect during any time period that Contractor is permitted to finish completing the Work.
7. Extension of Contract Term (Additional Work): Upon mutual agreement of the Parties, this Contract may be extended until the **Final End Date**. During any extended **Contract Term**, the terms of this Contract will remain in full force and effect, unless otherwise amended in writing by the Parties. Where the Contractor will provide additional services for additional compensation beyond the initial **Contract Amount**, the Parties must execute a written amendment before the then-current **Expiration Date**. If necessary, the written amendment will incorporate an updated Scope of Work and updated Fee Schedule as exhibits. Contractor must provide a current Certificate of Insurance to the County that complies with the **Insurance Requirements** of this Contract, if any, prior to any extended **Contract Term**.

8. Schedule of Work: County may designate the hours (on a daily or weekly basis) during which Contractor can perform the Work, strictly for the purposes of minimizing inconvenience to the County and interference with County operations. Contractor will otherwise set its own work schedule.

9. Indemnity: Contractor will be liable for any damages to persons or property caused by or arising out of the actions, obligations, or omissions of Contractor, its employees, agents, representatives or other persons acting under Contractor's direction or control in performing or failing to perform the Work under this Contract. Contractor will indemnify and hold harmless County, its elected and appointed officials, and its employees, agents and representatives (the "indemnified parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties as a result or on account of the actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract.

10. Nondiscrimination: Contractor will comply with the letter and spirit of the Colorado Anti-Discrimination Act, C.R.S. § 24-34-401, et seq., as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. Information and Reports: Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. Independent Contractor: Contractor is an independent contractor for all purposes in performing the Work. Contractor is not an employee of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.

13. Termination for Non-Appropriation: The other provisions of this Contract notwithstanding, the County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to believe that sufficient funds will be available for the full **Contract Term**. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing seven (7) days' written notice to Contractor.

14. Termination for Breach: Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party may provide written notice of the breach to the other Party. If the notified Party does not cure the breach, at its sole expense, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.

15. Termination for Convenience: County may terminate this Contract, in whole or in part, for any reason, upon seven (7) days' advance written notice to Contractor.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies, which shall survive expiration or termination of this Contract:

a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County's discretion. Upon County's request, Contractor must correct rejected work at Contractor's sole expense within the time frame established by the County. Upon completion of the corrections satisfactory to the County, County will remit payment to Contractor.

c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.

d. Removal: Upon County's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.

17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra-judicial body or person.

18. Conflicts of Interest: Contractor must not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations.

19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact** at the address specified in the **Details Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.

20. Statutory Requirements: This Contract is subject to all statutory requirements that are or may become applicable to counties or political subdivisions of the State of Colorado generally, including but not limited to: C.R.S. § 38-26-107, which requires withholding funds where the County receives a claim for payment from a supplier or subcontractor of Contractor upon notice of final settlement (required for public works contracts that exceed \$150,000); C.R.S. § 8-17-101 et seq.; C.R.S. § 18-8-301, et seq.; and C.R.S. § 18-8-401, et seq.

21. Public Contracts for Services (C.R.S. §§ 8-17.5-101, et seq.): Contractor hereby certifies, warrants, and agrees that it does not knowingly employ or contract with an illegal alien who will perform work under this Contract and further certifies that it will confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Contract by participating in the E-Verify Program established under Pub. L. 104-28 or the department verification program established under C.R.S. § 8-17.5-102(5)(c). Contractor (i) shall not knowingly employ or contract with an illegal alien to perform work under this Contract; (ii) shall not enter into a contract with a subcontractor that fails to certify to the contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Contract; (iii) has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Contract through participation in the E-Verify program or department program; (iv) is prohibited from using either the E-Verify program or department program procedures to undertake preemployment screening of job applicants while this Contract is being performed; and (v) shall comply with any reasonable request by the department made in the course of an investigation that the Colorado Department of Labor and Employment is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5). If Contractor obtains actual knowledge that a subcontractor performing work under this

Contract knowingly employs or contracts with an illegal alien, Contractor shall (a) notify the subcontractor and County within three (3) days that Contractor has actual knowledge that subcontractor is employing or contracting with an illegal alien; and (b) terminate the subcontract if, within three (3) days of receiving notice hereunder, subcontractor does not stop employing or contracting with the illegal alien; except that Contractor shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien. Contractor's violation of this provision will constitute a material breach of this Contract, entitling the County to terminate the contract for breach. If this Contract is so terminated, Contractor shall be liable for actual and consequential damages to the County.
