By requiring this right to indemnification, the Landlord in no way waives or intends to waive the limitations on liability which are provided to the Landlord under the Colorado Governmental Immunity Act, C.R.S., Sections 24-10-101, et seq.
- l. Tenant agrees that Tenant shall not permit any mechanic's lien to be perfected or remain against the Leased Premises. This shall not preclude Tenant from using Tenant's share of the crop for collateral for an operating loan.

- n. Tenant agrees the Leased Premises shall not be used for any purposes prohibited by the laws of the United States or the State of Colorado or the ordinances or resolutions of the County of Boulder.
- o. Tenant agrees to deliver up and surrender to the Landlord, possession of said Leased Premises at the expiration or termination of this Lease, by lapse of time or otherwise.

The only exception to this prohibition against commercial

In the event that a third party, acting pursuant to an easement or license, damages the Property or Tenant's crops and or Tenant's personal property, Landlord will restore the Property to its prior condition and/or compensate Tenant for the fair market value of any damage to such crop and or Tenant's personal property.

If Tenant fails to commence within said fifteen-day period, a course of performance to cure such default and thereafter to diligently pursue the work required to correct it, then, and in that event, and as often as the same may happen, it shall be lawful for the Landlord, at its election, to terminate this Lease and to re-enter and repossess itself of the Leased Premises, with or without legal proceedings, using such force as may be necessary, and to remove therefrom any livestock, crops and any personal property belonging to the Tenant without prejudice to any claim for rent or for the breach of covenants hereof, or without being guilty of any manner of trespass or forcible entry or detainer.
