

Boulder County Breastfeeding Coalition

The Boulder County Breastfeeding Coalition works to create a breastfeeding friendly community by supporting worksites, public venues, childcare providers, medical offices and lactation support professionals to meet the needs of breastfeeding mothers and babies.

Meetings are held every other month on the second Thursday from 8:30-10 am. We alternate between Boulder and Longmont Public Health facilities, as well as field trips within the community.

Please email Heather Elkins at helkins@bouldercounty.org to stay updated on meeting locations.
