

**ADDENDUM #1
Community Planning & Permitting Department
Eldorado Canyon State Park Shuttle
RFP # 7124-20**

March 25, 2020

The attached addendum supersedes the original Information and Specifications regarding RFP # 7124-20 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

Please note: Due to COVID-19, proposals will only be accepted electronically by emailing purchasing@bouldercounty.org.

Please note: The submittal due date is being moved back to 2:00 p.m. Mountain Time on April 17, 2020.

Due to the current coronavirus pandemic, we are delaying the beginning of Eldo Shuttle service until Saturday, June 20th. Due to the rapidly changing circumstances, it is possible that the beginning of service may be further delayed.

We also know that the COVID-19 pandemic is causing businesses extraordinary hardships, and that the situation is changing rapidly day by day. If at this time, your business would not be ready to launch Eldo Shuttle service June 20th, but would be able to launch service shortly thereafter, please still submit a proposal and include your best current estimate of how COVID-19 would impact or delay your ability to deliver this project.

For the purposing of calculating annual service hours and total proposed annual costs in your proposal, please continue to base these on an operating season that runs from Memorial Day weekend through Labor Day weekend each summer, inclusive of three holidays (Memorial Day, Independence Day and Labor Day) using the hours listed in the original RFP.

1. Question: Do all vehicles need to be ADA compliant? Meaning, do they all need to be wheelchair accessible?

ANSWER: Yes, all vehicles need to be wheelchair accessible. The number of vehicle securement locations required per vehicle depends on the vehicle length, per the Americans with Disabilities Act as Amended and as described within the RFP.

2. Question: Will the “Eldo Shuttle” signage need to be permanent or can they be removable, i.e. magnets?

ANSWER: The “Eldo Shuttle” signage can be removable (via magnets or other means) but should be large enough to be legible by passers-by and shuttle passengers.
