1. Question: We primarily conduct the surveys manually, is this a viable option?

**ANSWER: Boulder County is open to any method for road survey, as long as the requirements in the RFP are met.**

2. Question: What is name of previous consultant for this project?

**ANSWER: Transmap Corp.**

3. Question: Are you specifically looking for Automated Data Collection with the use of Vans?

**ANSWER: Boulder County is open to any method for road survey, as long as the requirements in the RFP are met.**

4. Question: Has Boulder County had a previous Pavement Management Road Inventory Project done? If so who did the previous survey and when did it take place?

**ANSWER: Yes. Transmap Corp conducted the road survey in 2018.**

5. Question: Does the 399 miles of paved roads include the 3 Roads which you have noted that are to be done in both directions? If not, what will the total miles then be if they are to be added to the 399 miles?

**ANSWER: Yes, the 399 miles of total roads does include South Boulder Rd, Valmont Rd and Airport Rd. The road lengths are determined by single centerlines, not separate travel lanes. The single centerline lengths of those roads are:**

Within the 8 Pages would the Cover Page, Cover Letter and W-9 count toward the 8-page total? Also, are the forms we are to fill out for you all be included in that number?
