Thanks to you and your family, Ms. Bridges! We realize that must have been so difficult to do during such an ugly time in our history and appreciate your courage, bravery and positive energy! May we never forget these struggles and may we always appreciate both how far we have come and how far we still have yet to go.

Thank you Ruby and thank you to your Mom and family for your courage and willingness to take a stand on racial justice! Your courage helped move our country forward and we owe you and your family to keep doing this work! As a Kansan, I grew up learning about the Brown vs. Topeka Board of Ed case with Linda Brown and her father Oliver Brown. I did not learn this in school, but I learned from my family. Please may I also express my sincere condolences regarding your Mother.

Warmest regards,

Dani Brittain
