

ADDENDUM #1
Public Works – Building Services
Boulder County Courthouse Third Floor Acoustic Panels and ACT
BID # 7206-21

February 22, 2021

The attached addendum supersedes the original Information and Specifications regarding BID # 7206-21 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

Please note: Due to COVID-19, BIDS will only be accepted electronically by emailing purchasing@bouldercounty.org.

1. Question: Is the intent for the acoustic panels to be a stretch fabric wall/ceiling system (built on site), or are they to be modular wall panels (produced off site by a manufacturer)?

ANSWER: Either option is acceptable, some panels shown may be larger than what is available to be built off-site so depending on the manufacturer's abilities, they may need to be built on site, with trim work. For example, two smaller, manufactured panels can take the place of one larger panel.

2. Question: If they are to be modular wall panels, please provide a list of acceptable manufacturer's. Designtex does not produce panels. The "Gamut" designation is only the fabric specification.

ANSWER: Lamvin, G&S Acoustics, or equivalent.

3. Question: Please provide specification or pictures of the existing type of ceiling grid in the space.

ANSWER: New install areas should match existing: Armstrong Cortega 704 2' x 2' with 15/16" Angled Tegular edge, 5/8" thick, Color: White, or approved equal.
