How to Access Adult Homeless Services in Boulder County under COVID Restrictions:

Are you a homeless adult (18 +) with no children in your household? Do you need a safe place to sleep, shelter, or help with basic needs? Your first step to receiving services from Boulder County or the cities of Boulder or Longmont is by calling CE. This is a required step for anyone seeking homeless-related services. You will talk with a staff person and go through a short assessment. Based on that information, you will be referred to the most appropriate services given your needs.
