SPECIFICATIONS

Background

On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law. Section 9901 of that law created the Coronavirus State and Local Fiscal Recovery Fund (SLFRF). The intent of SLFRF is to provide assistance for state, tribal, and local governments to respond to the impacts of the COVID-19 pandemic and limit further spread of the disease.

SLFRF provides formulaic funding allocations for eligible recipients. Boulder County is receiving an allocation of \$63,359,749. This funding is being received in two equal tranches: an initial tranche in June, 2021, and a second tranche approximately 12 months later. All funds must be obligated by December 31, 2024, and spent by December 31, 2026.

As specified in the Interim Final Rule for SLFRF published in the Federal Register on May 17, 2021, the following are allowable uses of SLFRF resources:

- Support public health expenditures;
- Address negative economic impacts caused by the public health emergency;
- Replace lost public sector revenue;
- Provide premium pay for essential workers; and,
- Invest in water, sewer, and broadband infrastructure.

The US Treasury Department “encourages recipients to provide assistance to those households, businesses, and non-profits in communities most disproportionately impacted by the pandemic.”

Given the wide range of potential uses, a need for consultant support for effective planning for use of SLFRF funds, and a desire by the Boulder County Commissioners to ensure that these funds are used effectively to deliver the highest level of positive and equitable impact for the community, the Commissioners are seeking a strategic planning and project management partner to help gather, organize and analyze information to guide their decision-making process for use of Boulder County’s SLFRF allocation. The County encourages firms with experience in achieving or improving equitable and transformational outcomes to apply.

Bilingual and bi-cultural and multilingual and multi-cultural firms are encouraged to apply.

Timeline

Date of contract execution through December 1, 2022.

Potential Project Extension

This scope of work includes planning to support the prioritization of the use of SLFRF funds as described in this document. Scope of work and timeline could be expanded depending on expertise of bidders and Boulder County's additional needs related to subsequent ARPA fund planning and management.

Coordinate as needed with other contractors and staff in areas such as eligibility, compliance, community engagement, and planning.

Deliver a report to the BOCC by October 1, 2021, that presents input from a variety of stakeholders, and defines high level options for use of SLFRF funds that is reflective of and responsive to this stakeholder input, includes equity and racial equity considerations, meets BOCC policy objectives, and is compliant with federal guidelines and regulations.

13. Termination for Non-Appropriation: The other provisions of this Contract notwithstanding, the County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to believe that sufficient funds will be available for the full **Contract Term**. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing seven (7) days' written notice to Contractor.

How to Register a New Entity in SAM.gov

Helpful Information

What is an Entity?

An entity is any person who or organization that is registered to do business with the federal government. You must have an active entity registration in SAM.gov to receive a federal contract or federal assistance.

SAM.gov is the official free, government-operated website for management of government awards. There is NO charge to register or maintain your entity registration record in SAM.gov.

What do I need to get started?

Unique Entity Identifier (UEI):

You need a Unique Entity Identifier, (UEI) to register your entity in SAM.gov. UEIs are unique for each physical location you register. If you do not have one, request a UEI for **free** by visiting [Dun & Bradstreet \(D&B\)](#). The authoritative UEI at this time is the Data Universal Numbering System (DUNS) Number. It takes no more than 1-2 business days to obtain a DUNS.

Taxpayer Identification Number (TIN):

You need your entity's Taxpayer ID Number (TIN) and Taxpayer Name (as it appears on your most recent tax return). Foreign entities that do not pay employees within the U.S. do not need to provide a TIN. Your TIN is usually your Employer Identification Number (EIN) assigned by the Internal Revenue Service (IRS). Sole proprietors may use their Social Security Number (SSN) assigned by the Social Security Administration (SSA) as their TIN; however, we strongly encourage you to obtain a [free EIN from the IRS](#). Allow approximately two weeks before your new EIN is ready for use when registering in SAM.gov.
