

**ADDENDUM #1**  
**Parks and Open Space**  
**Cal-Wood Fire Post Burn Cultural Resource Select Survey at Heil Valley Ranch Open**  
**Space**  
**RFP # 7246-21**

June 21, 2021

The attached addendum supersedes the original Information and Specifications regarding RFP # 7246-21 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

**Please note: Due to COVID-19, BIDS will only be accepted electronically by emailing [purchasing@bouldercounty.org](mailto:purchasing@bouldercounty.org).**

1. Question: The RFP mentions that a modified (less-intensive) survey report will be required, if funding allows. Is this the same as Item Number 6 in Bid Tab 2 (“draft and final cultural resource survey report”)? If so, will this item number (and associated costs) be removed from the winning bid, if funding does not allow?

**ANSWER: Yes, Bid Tab 2, line item #6, is the modified less intensive survey report. If funding does not allow for the modified less intensive survey report, Bid Tab 1 will be used to award the project instead of Bid Tab 2.**

2. Question: The RFP mentions that shovel testing is outside of the scope of work and should not be included in the costs. Many times, our eligibility recommendations rely on shovel or trowel tests. If no subsurface testing is performed during this project is “Needs Data” an acceptable eligibility recommendation for archaeological sites where buried, intact cultural remains cannot be assessed otherwise?

**ANSWER: Yes, Need Data, will be acceptable. A short explanation for the Need Data eligibility recommendation should be included in the Management Data Form Section IV.**
