Donations made by CHECK or ONLINE simplifies our process, which allows individuals and families to receive gift cards earlier and take advantage of more holiday bargains. In addition, our bulk purchase of gift cards may save you a trip to the store to purchase the cards. If a business or group is donating, each donor can write an individual check or donate online.

I/WE PREFER TO DONATE \$ _____ WITH A **CHECK(S)**.
Please **make check(s) payable to Family-To-Family**, and mail check(s) and this Donor Form in the enclosed postage-paid envelope.

I/WE PREFER TO DONATE \$ _____ **ONLINE** through Colorado Gives.
Please visit <https://www.coloradogives.org/BoulderCommunityHousingCorporation> to donate online. Groups can create a Colorado Gives fundraising page to track their total group donation to Family-To-Family. Since Colorado Gives provides us information regarding your donation, it is not necessary to mail this Donor Form in the enclosed postage-paid envelope.

I/WE PREFER TO **DONATE & DELIVER GIFT CARDS** (Target or Walmart) on **December 9**.
Please follow the enclosed Gift Card Drop Off Instructions. When dropping off the donation, please bring this Donor Form and include the total donation \$ _____ here.

My employer matches contributions.
