1. Question: Nothing in the bid documents provided any information for the locations of the “various project locations” within Boulder County. Would you please add the locations that the projects will take place so we may provide accurate information in regards to freight/hauling of the materials for the County?

ANSWER: Emulsified Asphalt is always picked up by us at the distributing plant. We do not store the emulsified asphalt on site. What we purchase – we use that same day.
