Cottage Foods Checklist

shellfish. This product is not intended for resale."

Use the checklist below to verify whether or not a producer is eligible to sell their products under the Cottage Foods Act. Additional market, food product liability insurance, business license, tax, and zoning requirements may vary.

A cottage food producer must:
☐ Be a Colorado resident
Operate a cottage food business as a single person proprietor or an LLC of 2 or fewer owners
☐ Be present or have a designated representative available, in-person to
answer questions and sell product(s) directly to the informed end consumer
☐ Complete an approved food safety course that includes basic food handling and renew
their training as required by each course
(Having a copy of their food safety training certificate posted or available at their
point of sale is a best practice)
☐ Not exceed a net revenue of \$10,000 per product
Where can cottage foods be sold?
□ Producer's Residence
 The producer should confirm that a home-based business is authorized by their homeowner's association and local zoning requirements.
☐ Internet
 Shipping or delivery of the product(s) outside of Colorado is prohibited. Farmers' market or similar venue such as a road side stand, community supported agriculture
program (CSA), or a store front such as a gift shop or clothing store Cottage foods cannot be sold from a retail food establishment or food manufacturer such as a restaurant, mobile unit, grocery store, a co-packer or commercial food producer or distributorselling licensed and inspected food(s) for resale.
☐ All points of sale whether on the internet or in-person must provide a visible placard or
sign that states: "This product was produced in a home kitchen that is not subject to state licensure or inspection. This product is not intended for resale."
How do cottage foods need to be packaged and labeled?
☐ Products must be pre-packaged in food grade material and labeled with:
☐ Producer name
☐ Full physical production address
 □ Producer's current e-mail or phone number □ Production data
 Production date Complete list of ingredients, in descending order by weight
☐ Complete tist of ingredients, in descending order by weight ☐ Disclaimer statement:
"This product was produced in a home kitchen that is not subject to state licensure or inspection and that may
also process common food allergens such as tree nuts, peanuts, eggs, soy, wheat, milk, fish, and crustacean
