

**ADDENDUM #1
Human Resources
Second Opinion and Oncology Support Program
RFP # 7332-22**

April 8, 2022

The attached addendum supersedes the original Information and Specifications regarding RFP # 7332-22 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

Please note: Due to COVID-19, BIDS will only be accepted electronically by emailing purchasing@bouldercounty.org.

1. Question: Is there any ability to offer a live date after 1/1/23 – either 4/1/23 or 7/1/23?

ANSWER: Yes, this is something the county would consider. The effective date must begin within 1-year of the contract award. We encourage your organization to submit a response based on what services you provide today via the Beta version, including results of your pilot to date, and also provide potential date of availability later in 2023.

2. Question: Are there any more details on the nature of the Oncology services being sought here? All we could find was this statement - “single vendor who can provide both an oncology management and support program and an expert second opinion for cancer diagnoses, at a minimum.”

ANSWER: The cancer questions in the workbook will give you a much better idea of what we are seeking. Please see the “Remote Member Guidance and Advocacy” section of the Cancer Support tab.
