Independent Auditor's Report

To the Members
Aspinwall, LLC
Boulder, Colorado

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Aspinwall, LLC, which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of operations and members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Aspinwall, LLC as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aspinwall, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aspinwall, LLC's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aspinwall, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aspinwall, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedules of Maintenance and Operating, Utilities, Administrative, Insurance, and Interest Expenses are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Note 1 - Principal Business Activity and Significant Accounting Policies

Principal Business Activity, Risks, and Uncertainty

Aspinwall, LLC (Company) was formed June 16, 2011, as a limited liability company under the laws of the State of Colorado and shall continue in perpetual existence, unless dissolved or terminated at an earlier date. The Company was formed for the purpose to develop, construct, rehabilitate, own, maintain, and operate a 167 unit multi-family complex (the project). The project is to include 95 scattered site rehabilitated units and 72 new construction units in Lafayette, Colorado. Substantially all of the Company's income is derived from the rental of its apartment units. The project purchased the scattered sites in August 2013 and began operations. Units were placed in service throughout 2014 as construction was completed.

The Company has qualified and been allocated low-income housing tax credits pursuant to the Internal Revenue Code Section 42, which regulates the use of the complex as to occupant eligibility and unit gross rent, among other requirements. The Company must meet the provisions of these regulations during each of 15 consecutive years in order to continue to qualify to receive the tax credits. Failure to comply with occupant eligibility and unit gross rent or to correct noncompliance within a specified time period could result in recapture of the previously taken low-income housing tax credits plus interest. Such potential noncompliance may require an adjustment to the contributed capital by the investor member. All units within this project are subject to rent restrictions and qualified tenant restrictions as required by the Low Income Housing Tax Credit Program.

Concentrations of Credit Risk

The Company maintains its cash accounts in various deposit accounts, the balances of which are periodically in excess of federally insured limits.

Receivables and Credit Policy

Accounts receivable are rents and charges currently due from residential tenants and insurance proceeds due from the insurance company. Payments on accounts receivable are applied to specific months. Management reviews accounts receivable monthly and charges operations with those considered uncollectible. All remaining accounts are considered collectible.

Property and Equipment

The initial purchase of the property and equipment was recorded at fair value on the date of acquisition. As such, the property acquired is stated at fair value as of the acquisition date less accumulated depreciation. The Company accounted for its property acquisition by allocating the purchase price of the property to the property's assets based on management's estimates of their fair value. Techniques used to estimate the fair value include an appraisal of the property by a certified independent appraiser at the time of the acquisition. Costs incurred in connection with the acquisition are expensed.

Property and equipment is recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is computed principally by the straight-line method over the following estimated useful lives:

Land improvements	20 years
Buildings and improvements	40 years
Equipment and furnishings	10 years
Geothermal equipment	5 years

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based on this assessment there was no impairment at December 31, 2021 and 2020.

Tax Credit Fees

Tax credit fees are being amortized over a 15-year life using the straight-line method of amortization. Amortization is expected to be approximately $7,475 for each of the next five years.

Debt Issuance Costs

Debt issuance costs are amortized over the period the related obligation is outstanding using the straight-line method, which is a reasonable estimate of the effective interest method. Debt issuance costs are included within long-term debt on the balance sheet. Amortization of debt issuance costs is included in interest expense in the accompanying financial statements.

Income Taxes

As a limited liability company, the Company’s taxable income or loss is allocated to members in accordance with the operating agreement. Therefore, no provision for income taxes has been included in the financial statements.

The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of December 31, 2021 and 2020, the unrecognized tax benefit accrual was zero. The Company will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred.

Rental Income

Housing units are rented under operating lease agreements with terms of one year or less. Rent income from tenants and rental assistance payments are recognized in the month in which it is earned rather than received. Any rent received prior to the month of occupancy is reported as prepaid rent. Tenant rent plus rental assistance represents gross rent for all units in the project. Vacancy loss is recorded for any unrented units to arrive at net rental income.

Advertising and Marketing

Advertising and marketing costs are expensed as incurred.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassification has no impact on net loss or members' equity.

Subsequent Events

The Company has evaluated subsequent events through April 25, 2022, the date which the financial statements were available to be issued.

Note 2 - Restricted Cash

Restricted cash as of December 31, 2021 and 2020 consists of the following:

	2021	2020
Replacement Reserve	$ 274,069	$ 389,491
Operating Reserve	843,961	843,724
	$ 1,118,030	$ 1,233,215

Replacement Reserve

Pursuant to the operating agreement, the Company is to establish a replacement reserve to provide for working capital needs, improvements, and replacements relating to the project, commencing upon final closing. The Company is to deposit $300 per unit per year, increasing at a rate of three percent each year, into the replacement reserve.

Replacement reserve activity for the years ended December 31, 2021 and 2020 is as follows:

	2021	2020
Balance, January 1	$ 389,491	$ 328,986
Deposits	61,617	59,822
Interest	63	683
Withdrawals	(177,102)	-
Balance, December 31	$ 274,069	$ 389,491

Operating Reserve

Pursuant to the operating agreement, the Company is to establish and maintain an operating reserve to meet operating expenses and debt service of the Company which exceed operating revenues. The reserve is to be funded in the amount of $820,058 no later than the investor member's third capital contribution. The managing member may make withdrawals subject to the special member's approval.

Note 3 - Property and Equipment

Property and equipment at December 31, 2021 and 2020 consists of the following:

	2021	2020
Land and Improvements	$ 6,152,596	$ 6,152,596
Buildings and Improvements	30,676,325	30,552,345
Equipment and Furnishings	508,525	503,477
Geothermal Equipment	1,856,997	1,856,997
	39,194,443	39,065,415
Accumulated depreciation	(8,907,238)	(7,991,360)
	$ 30,287,205	$ 31,074,055

During 2021, the Company incurred damage to the roofing related to a hailstorm. The Company received approximately $172,000 of insurance proceeds which were net with the loss on disposal of property and equipment in the amount of $174,200.

Note 4 - Accrued Expenses

Accrued expenses at December 31, 2021 and 2020 consists of the following:

	2021	2020
Interest - Related Party - Note 7	$ 2,978,238	$ 2,626,198
Interest - Non-Related Party	47,709	47,709
Asset Management Fees - Note 7	6,332	6,146
	$ 3,032,279	$ 2,680,053

	$ 26,088,547	$ 47,343,879	$ 73,432,426

Note 6 - Property Taxes

The Company is exempt from property taxes under C.R.S 29-4-507 through Aspinwall Manager, LLC. Currently there is no expiration date on the property tax exemption for so long as Aspinwall Manager, LLC owns interest in the Company.

Note 7 - Related Party Transactions

Mortgage Notes and Accrued Interest

The Company has entered into multiple loan agreements with Boulder County Housing Authority (BCHA), the sole member of the managing member (Note 5). During 2021 and 2020, the Company incurred interest of $399,308 and $389,299, respectively, to BCHA on these mortgage notes payable. During 2021 and 2020, the Company made payments on accrued interest of $47,268 and $0, respectively, from surplus cash. As of December 31, 2021 and 2020, the Company owes BCHA $2,978,238 and $2,626,198, respectively, for accrued interest (Note 4).

Due to Related Party

As of December 31, 2021 and 2020, the Company owed BCHA $62,045 and $93,822, respectively, for costs paid on behalf of the project by BCHA, including construction costs, accrued wages and benefits.

Management Fees

The Company has entered into a management agreement with BCHA, to provide management services for the project. Under the terms of the agreement, the Company is to pay management fees equal to the lesser of $480 per unit or 5.5% of effective gross income. During 2021 and 2020, the Company incurred management fees of $80,160.

Reimbursement of Expenses

During 2021 and 2020, the Company reimbursed BCHA approximately $678,700 and $556,800, respectively, for payroll and other expenses.

Asset Management Fee

Pursuant to the operating agreement, the Company is to pay the special member a cumulative fee equal to $5,000 annually, commencing in 2014, for services for the review of the operations of the Company. The fee is to increase by 3% annually. During 2021 and 2020, the Company incurred $6,332 and $6,148, respectively, for asset management fees. As of December 31, 2021 and 2020, the Company owed the special member $6,332 and $6,146, respectively, for these fees (Note 4).

Operating Deficit Guaranty

Pursuant to the operating agreement, the managing manager is required to fund operating deficits during the period beginning upon the date that stabilized operations is achieved and for five years thereafter as defined in the agreement. The managing manager shall be obligated to provide funds in the form of a loan, not to exceed $910,000, shall bear no interest and shall be repayable solely from net cash flow as allowed in the operating agreement.

Contributions

During 2021, BCHA made contributions to the Company in the amount of $91,592 to help fund mitigation costs incurred by the Company, which were recorded in other income on the statements of operations.
