PROJECT COORDINATION

The project has already been marked by a Wildfire Partners Mitigation Specialist. Prior to beginning work, the contractor's project manager/coordinator shall meet with the landowner and a member of the Wildfire Partners team on site to review the bid and details of the project. Prior to the completion of work at each site, the contractor's project manager/coordinator shall also meet with the landowner and member of the Wildfire Partners team on site to review all work and ensure it has been completed according to the contract and bid documents.

TRAINING

Before beginning any field work, contractor is required to participate in a mandatory training.

TIMING OF WORK

All work shall be completed by December 15, 2022.

FORESTRY OPERATIONS

See Exhibit A for details. Pile building and burning is not allowed. Contractors are allowed to utilize whatever equipment is appropriate as long as required environmental requirements are met (see restrictions in riparian areas below). Contractors must obtain approval from landowners

for the access points and routes they will use to reach the treatment areas. Contractor is responsible for rehabilitating all adversely impacted areas.

The Boulder County Community Forestry Sort Yard (291 Ridge Road) will accept logs, slash and chips that meet the following guidelines: Logs must be free of limbs and cut to specifications (4, 8, 12 or 16 Ft lengths). Logs are to be stacked according to length in the yards. Ensure there are no nails or fencing or any other type of metal in the wood. Logs must be a minimum of 4 inches in diameter. Active Mountain Pine Beetle wood is accepted, but it is discouraged between July 15th and September 15th.

ENVIRONMENTAL CONDITIONS

Standard forestry “Best Management Practices” (BMPs’) as outlined by the CSFS, are to be adhered to for all treatment activities. Contractors are responsible for a thorough working knowledge of the current updated 2010 BMP Standards for the State of Colorado. Contractors must comply with all environmental conditions included in the Record of Environmental Consideration (REC) from Federal Emergency Management Agency (FEMA). They include:

- Project activities will adhere to Forestry Best Management Practices to Protect Water Quality in Colorado, 2010.
- To the maximum extent practicable, limit disturbance or removal of vegetation, such as willows, trees, shrubs, and grasses within riparian areas. If riparian areas cannot be avoided, work will be limited to the use of hand -tools only.
- Use BMPs to limit construction-related disturbance, such as soil compaction, erosion, and sedimentation, and to prevent the spread of invasive weeds.
- Minimize the number and footprint of access routes, staging areas, and work areas and locate these activities within previously disturbed or modified non-habitat areas.
- Locate, store, stage, operate, and refuel equipment outside of riparian or adjacent upland habitats.
- During the Preble's meadow jumping mouse (PMJM) active season (May 1 through November 1), work only during daylight hours to avoid disrupting Preble's nocturnal activities.
- Activities will take place between the hours of 7:00 am and 6:30 pm. No nighttime activities would occur, as this is prime foraging hours for the Mexican spotted owl.
- Promptly remove waste in riparian areas to minimize site disturbance and avoid attracting predators.
- Upon project completion, revegetate all disturbed riparian areas with native shrubs, trees, grasses. Use only weed free material native seed mixtures recommended by USFWS.
- Contact USFWS immediately at 303-236-4773 if a PMJM is found alive, dead, injured or hibernating within the project area.
- For projects in which soil erosion potential is determined to be significant, a project erosion control plan, including the use of Best Management Practices, will be implemented to isolate the construction site and minimize impacts of soil loss and sedimentation soil and water resources.
- The proposed actions are subject to compliance with the Migratory Bird Treaty Act (MBTA) and the Bald or Golden Eagle Protection Act (BGEPA). If active nests are observed in the project area, appropriate USFWS buffer zones and/or seasonal restrictions may be

required.

- To avoid unnecessary ground disturbance, all project activities would be conducted during time periods when the ground is frozen or dry.
- All disturbed areas including skid trails, landings, staging areas, etc. would be restored using native, weed-free seed, mulch, etc.
- Standard BMP for equipment maintenance, noise and dust abatement, worker protection, fire safety, etc. must be implemented during project activities.
- All waste material associated with the project must be disposed of properly and not placed in identified floodway or wetland areas. No open burning will occur.
- If ground disturbing activities occur during construction, applicant will monitor ground disturbance and if any potential archeological resources are discovered, will immediately cease construction in that area and notify the State and FEMA.

BOULDER COUNTY SAMPLE CONTRACT

THIS CONTRACT ("Contract") is entered into by and between the Board of County Commissioners on behalf of the County of Boulder, State of Colorado, a body corporate and politic, for the benefit of the [Department] ("County") and [Supplier] ("Contractor"). County and Contractor are each a "Party," and collectively the "Parties."

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Incorporation into Contract:** The **Details Summary** is incorporated into this Contract. The **Contract Documents** are incorporated into this Contract by reference, except to the extent that the Proposal, if any is incorporated, contains any obligations placed upon County and not otherwise contained in this Contract.
2. **Work to be Performed:** Contractor will provide all labor and equipment and do all tasks necessary and incidental to performing the work as described in the **Details Summary** and **Contract Documents** (the "Work"). Contractor will perform the Work (a) in a good and workmanlike manner, (b) at its own cost and expense, (c) in accordance with recognized industry standards of care, skill and diligence for the type of work being performed, and (d) in strict accordance with the Contract.
3. **Term of Contract:** The **Contract Term** begins on the **Start Date** and expires on the **Expiration Date**, unless terminated sooner. All the Work must be performed during the **Contract Term**.
4. **Payment for Work Performed:** In consideration of the Work performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed the **Contract Amount** to Contractor in accordance with the **Contract Documents**.
5. **Invoicing:** Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor must submit an invoice to the County by the fifteenth (15th) day of the month for completion of any Work performed in the prior calendar month. All invoices submitted require the following components: Contractor's name and address (submitted W-9 address must match remit address), detailed description of services, dates of services, itemization of labor and materials costs, "Bill to: Boulder County" language, payment remittance address, payer, name and address, date of invoice, unique invoice number, and total amount due. Contractor must send all completed invoices to the **Invoice Contact** in the **Details Summary**. County may require delivery of invoices by email. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract may cause a delay in payment. County may recoup any damages incurred because of Contractor's failure to submit invoices pursuant to the terms of this paragraph. County's acceptance or payment of an invoice will not constitute acceptance of any Work performed under this Contract.
6. **Extra Time to Complete the Work (Additional Time only):** If Contractor cannot complete the Work by the **Expiration Date**, Contractor may request extra time to complete the Work. County, in its sole discretion, may grant Contractor additional time to complete the Work by sending a written notice of extension to Contractor. An extension of time to complete the Work does not entitle Contractor to additional compensation from County.
7. **Extension of Contract Term (Additional Time and Work):** Upon mutual agreement of the Parties, this Contract may be extended until the **Final End Date**. During any extended **Contract Term**, the terms of this Contract will remain in full force and effect, unless otherwise amended in writing by the Parties. Where the

Contractor will provide additional services for additional compensation beyond the initial **Contract Amount**, the Parties must execute a written amendment before the then-current **Expiration Date**. If necessary, the written amendment will incorporate an updated Scope of Work and updated Fee Schedule as exhibits. Contractor must provide a current Certificate of Insurance to the County that complies with the **Insurance Requirements** of this Contract, if any, prior to any extended **Contract Term**.

8. **Schedule of Work:** County may designate the hours (on a daily or weekly basis) during which Contractor may perform the Work, strictly for the purposes of minimizing inconvenience to the County and interference with County operations. Contractor will otherwise set its own work schedule.

9. **Indemnity:** Contractor will be liable for any damages to persons or property caused by or arising out of the actions, obligations, or omissions of Contractor, its employees, agents, representatives or other persons acting under Contractor's direction or control in performing or failing to perform the Work under this Contract. Contractor will indemnify and hold harmless County, its elected officials and appointed department heads, and its employees, agents and representatives (the "indemnified parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties as a result or on account of the actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract. Nothing contained in this Contract or the **Contract Documents** is intended to limit or restrict the indemnification rights or obligations of any Party under this provision, or damages available for breaches of the obligations herein.

10. **Nondiscrimination:** Contractor will comply with the Colorado Anti-Discrimination Act, C.R.S. § 24-34-401, *et seq.*, as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. **Information and Reports:** Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. **Independent Contractor:** Contractor is an independent contractor for all purposes in performing the Work. None of Contractor, its agents, personnel or subcontractors are employees of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.

13. Termination

a. Breach: Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party may provide written notice of the breach to the other Party. If the breaching Party does not cure the breach, at its sole expense, as reasonably determined by the non-breaching Party in its sole discretion, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.

b. Non-Appropriation: The other provisions of this Contract notwithstanding, County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to believe that sufficient funds will be available for the full **Contract Term**. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing seven (7) days' written notice to Contractor.

c. Convenience: In addition to any other right to terminate under this Section 13, County may terminate this Contract, in whole or in part, for any or no reason, upon seven (7) days' advance written notice to Contractor.

14. Contractor Obligations upon Termination or Expiration: By the **Expiration Date** or effective date of termination, if earlier, Contractor must (1) remove from County property all of its personnel, equipment, supplies, trash and any hazards created by Contractor, (2) protect any serviceable materials belonging to the County, and (3) take any other action necessary to leave a safe and healthful worksite. Any items remaining on County property after the Expiration Date or the effective date of termination, if earlier, will be deemed abandoned by Contractor.

15. Payable Costs in Event of Early Termination: If County terminates this Contract before the **Expiration Date**, Contractor's payments (and any damages associated with any lawsuit brought by Contractor) are limited to only (1) payment for Work satisfactorily executed and fully and finally completed, as determined by County in its sole discretion, prior to delivery of the notice to terminate, and (2) the reasonable and actual costs Contractor incurred in connection with performing the Work prior to delivery of the notice to terminate. Contractor explicitly waives all claims it may have against the County for any other compensation, such as anticipatory profits or any other consequential, special, incidental, punitive or indirect damages.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies (in addition to any other remedies provided by law or in this Contract), which shall survive expiration or termination of this Contract:

a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County's discretion. Upon County's request, Contractor must correct rejected work at

Contractor's sole expense within the time frame established by the County. Upon full and final completion of the corrections satisfactory to the County, County will remit payment to Contractor.

c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or fully and finally complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.

d. Removal: Upon County's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.

17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra-judicial body or person.

18. Conflicts of Interest: Contractor may not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations.

19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact** at the address specified in the **Details Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.

20. Statutory Requirements: This Contract is subject to all statutory requirements that are or may become applicable to counties or political subdivisions of the State of Colorado generally, including but not limited to: C.R.S. § 38-26-107, which requires withholding funds where the County receives a claim for payment from a supplier or subcontractor of Contractor upon notice of final settlement (required for public works contracts that exceed \$150,000); C.R.S. § 8-17-101 et seq.; C.R.S. § 18-8-301, et seq.; and C.R.S. § 18-8-401, et seq.

21. Public Contracts for Services (C.R.S. §§ 8-17.5-101, et seq.): *The phrase "unauthorized worker" as used in this provision shall have the same and intended meaning as "illegal alien" as such phrase is used in C.R.S. §§ 8-17.5-101, et seq.* Contractor hereby certifies, warrants, and agrees that it does not knowingly employ or contract with an unauthorized worker who will perform work under this Contract and further certifies that it will confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Contract by participating in the E-Verify Program established under Pub. L. 104-28 or the department verification program established under C.R.S. § 8-17.5-102(5)(c). Contractor (i) shall not knowingly employ or contract with an unauthorized worker to perform work under this Contract; (ii) shall not enter into a contract with a subcontractor that fails to certify to the contractor that the subcontractor shall not knowingly employ or contract with an unauthorized worker to perform work under this Contract; (iii) has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under this Contract through participation in the E-Verify program or department program; (iv) is prohibited from using either the E-Verify program or department program procedures to undertake preemployment screening of job applicants while this Contract is being performed; and (v) shall comply with any reasonable request by the department made in the course of an investigation that the Colorado Department of Labor and Employment is undertaking pursuant to the authority established in C.R.S. § 8-17.5-102(5). If Contractor obtains actual knowledge that a subcontractor performing work under this Contract knowingly employs or contracts with an unauthorized worker, Contractor shall (a) notify the subcontractor and County within three (3) days that Contractor has actual knowledge that subcontractor is employing or contracting with an unauthorized worker; and (b) terminate the subcontract if, within three (3) days of receiving notice hereunder, subcontractor does not stop employing or contracting

with the unauthorized worker; except that Contractor shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an unauthorized worker. Contractor's violation of this provision will constitute a material breach of this Contract, entitling the County to terminate the contract for breach. If this Contract is so terminated, Contractor shall be liable for actual and consequential damages to the County.

22. Entire Agreement/Binding Effect/Amendments: This Contract represents the complete agreement between the Parties and is fully binding upon them and their successors, heirs, and assigns, if any. (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

How to Register a New Entity in SAM.gov

Helpful Information

What is an Entity?

An entity is any person who or organization that is registered to do business with the federal government. You must have an active entity registration in SAM.gov to receive a federal contract or federal assistance.

SAM.gov is the official free, government-operated website for management of government awards. There is NO charge to register or maintain your entity registration record in SAM.gov.

What do I need to get started?

Unique Entity Identifier (UEI):

You need a Unique Entity Identifier, (UEI) to register your entity in SAM.gov. UEIs are unique for each physical location you register. If you do not have one, request a UEI for **free** by visiting [Dun & Bradstreet \(D&B\)](#). The authoritative UEI at this time is the Data Universal Numbering System (DUNS) Number. It takes no more than 1-2 business days to obtain a DUNS.

Taxpayer Identification Number (TIN):

You need your entity's Taxpayer ID Number (TIN) and Taxpayer Name (as it appears on your most recent tax return). Foreign entities that do not pay employees within the U.S. do not need to provide a TIN. Your TIN is usually your Employer Identification Number (EIN) assigned by the Internal Revenue Service (IRS). Sole proprietors may use their Social Security Number (SSN) assigned by the Social Security Administration (SSA) as their TIN; however, we strongly encourage you to obtain a [free EIN from the IRS](#). Allow approximately two weeks before your new EIN is ready for use when registering in SAM.gov.

Login to SAM.gov

1. Navigate to SAM.gov.
2. Select the “Sign In” button in the upper right corner. Select “Accept” to accept the US Government System terms.
3. After selecting “Accept,” the system will redirect you to login.gov.
4. Enter your login.gov credentials and select “Sign In.” The system may prompt you to enter a one-time security code. (You will receive this code via the authentication method you selected during account creation.)

Note: If you do not already have a Login.gov account, please create an account.

5. After signing in, the system will redirect you to your SAM.gov workspace.

Start a New Entity Registration in SAM.gov

1. From the Workspace select the “Register Entity” button.
2. Select the “Start Registration” button at the bottom of the registration overview page.
3. Review the Before You Start information and gather all required information needed to complete your registration.
4. Select the “Continue” button to proceed.
5. Complete and submit the online registration. If you have all the necessary information ready, this should take approximately 45 minutes to complete. The time to complete could vary depending on the size and complexity of your registration. Steps to complete the registration follow in the next section.

Completing an Entity Registration in SAM.gov

1. Select your type of entity.
2. If you are registering in SAM.gov to conduct business with the government through contracts, select “I want to be able to bid on federal contracts or other procurement opportunities. I also want to be able to apply for grants, loans, and other financial assistance programs.”
3. Complete the Core Data section:
 - Validate your UEI information on the page.
 - Enter Business Information (TIN, etc.) This page is also where you create your Marketing Partner Identification Number (MPIN). Remember your MPIN as it will serve as your electronic signature for the IRS Consent to Disclosure of Tax Information on the following page.

- Enter your CAGE Code if you have one. CAGE codes are tied to your UEI and cannot be reused. If you do not have a CAGE Code for the UEI you are registering, do not worry; we will assign one after your registration is submitted. Foreign registrants must enter their NCAGE Code before proceeding.
 - Enter General Information (business types, organization structure, etc.) about your entity.
 - Provide your entity's Financial Information, i.e., U.S. bank Electronic Funds Transfer (EFT) Information for federal government payment purposes. Foreign entities do not need to provide EFT information.

6. Complete the Points of Contact (POCs) section:
- Your Electronic Business POC is essential to the procurement process. Other government systems, such as the CAGE program, will use your government POC to contact you. List someone with direct knowledge of this registration for both of those POCs.
7. Make sure to select "Submit" after your final review.

You will receive a Registration Submitted – Confirmation message on the screen. If you do not see this message, you have not submitted your registration.

How long will it take?

Allow up to **12-15 business days** after you submit before your registration is active in SAM.gov.

How do I check the status of an Entity Registration

1. Login to SAM.gov (Registration Status is not available without login)
2. From your workspace, select Home from the menu, then select “Check Registration Status” on the homepage. The same “Check Registration Status” is also located on the Entity Registration landing page
3. From the check entity registration status you can enter a public entity's Unique Entity Identifier, CAGE code, or EFT Identifier
4. The status provides a quick summary for an entity, displaying the progress of that entity's most recent record. It will also display what steps remain until it is completed. The steps required are determined based on the purpose of registration.
5. Select the topic under the ‘More About’ for additional help on any of the status symbols or steps
6. To get the full entity details with reps and certs or any exclusions or to see non-public entities, you will need to use the main search.
