ORDINANCE NO. 2022-4

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF BOULDER COUNTY PROHIBITING THE CARRYING OF FIREARMS IN SENSITIVE PUBLIC PLACES

RECITALS

- A. The County of Boulder respects the rights of law-abiding citizens to carry concealed ~~handguns~~ **firearms** in public places where it is safe and lawful to do so.
- B. There are certain areas where firearms pose an acute risk to the health and wellbeing of children, office workers, and members of the public.
- C. The open carrying of firearms has been used by white supremacists and other extremists to usurp the role of law enforcement or participate in unsanctioned and illegal militias. Open carrying has also been used to intimidate and infringe on the First Amendment rights and political participation of others.
- D. The presence of firearms at government buildings and offices, polling places, ballot counting facilities, and public demonstrations poses a serious threat to First Amendment rights, voting rights, and the functioning of our democracy.
- E. People carrying ~~handguns~~ **firearms** in public buildings and at ~~crowded public events~~ **sensitive public places** – including ~~financial institutions, sporting venues, courthouses, hospitals and medical or mental health facilities, theaters, houses of worship, and similar locations~~ – create unnecessary risks of intentional or accidental shootings, increase the risk of lethal disputes between members of the public, and increase the risk that a law-abiding citizen's weapon will be stolen and used by someone else to harm or threaten employees or the public.
- F. Courthouses and healthcare facilities in particular are the sites of high-stakes, emotional events and may be frequented by people in crisis who do not have a choice other than to be there. Allowing the carry of firearms in such locations increases the risk of intentional or reckless violence or violence fueled by mental health crises and raises the possibility that everyday disagreements will escalate into shootouts.
- G. The presence of firearms in places frequented by children and families – including parks, playgrounds, community and recreation centers, and daycare centers – poses unreasonable risks to children, particularly of **young children gaining access to firearms**, unintentional shootings and firearm misuse, as well as trauma that can result from mishandled firearms or gun violence.
- H. Firearms pose a substantial danger in the vicinity of intoxicated people at facilities that serve alcohol, as research demonstrates a strong link between alcohol use and domestic violence, gun crimes, and self-inflicted firearm injuries.

~~I. Grocery stores have been targets of mass shootings, including a shooting in Boulder, Colorado, in 2021 that killed ten people, and a shooting in Buffalo, New York, in 2022 that killed ten people.~~

J. Pursuant to Section 30-11-101(2) of the Colorado Revised Statutes, a county has the authority to adopt and enforce ordinances regarding issues of health, safety, and welfare.

K. Pursuant to Sections 18-12-214(c)(1) and 29-11.7-104 of the Colorado Revised Statutes, Boulder County has the authority to adopt and enforce ordinances that prohibit the concealed and open carrying of a firearm in a building or specific area within Boulder County's jurisdiction.
