Emergency and Closure Communication

Boulder County Head Start follows the Boulder Valley School District closures for bad weather.

You can find this information on our Facebook Page, through our texting program, or posted closures on BVSD.org.

In the event of an emergency while children are at school, staff will call the child's family at home or at work. If unable to contact the family they will call the emergency contacts indicated on your application. If an emergency should arise outside of school hours, staff will call families to inform them of any necessary information.

Find and like **Boulder County Head Start** on Facebook for program announcements and updates.
