

Find and book affordable care.

Amino makes it easy to find high value in-network care, and book appointments all in one easy to use platform.

HEALTHCARE SEARCH

Find care with simplified search terms like “back pain” or “headache.” With more than 1,000 search terms, Amino can direct you to the right care.

DEDUCTIBLE TRACKING

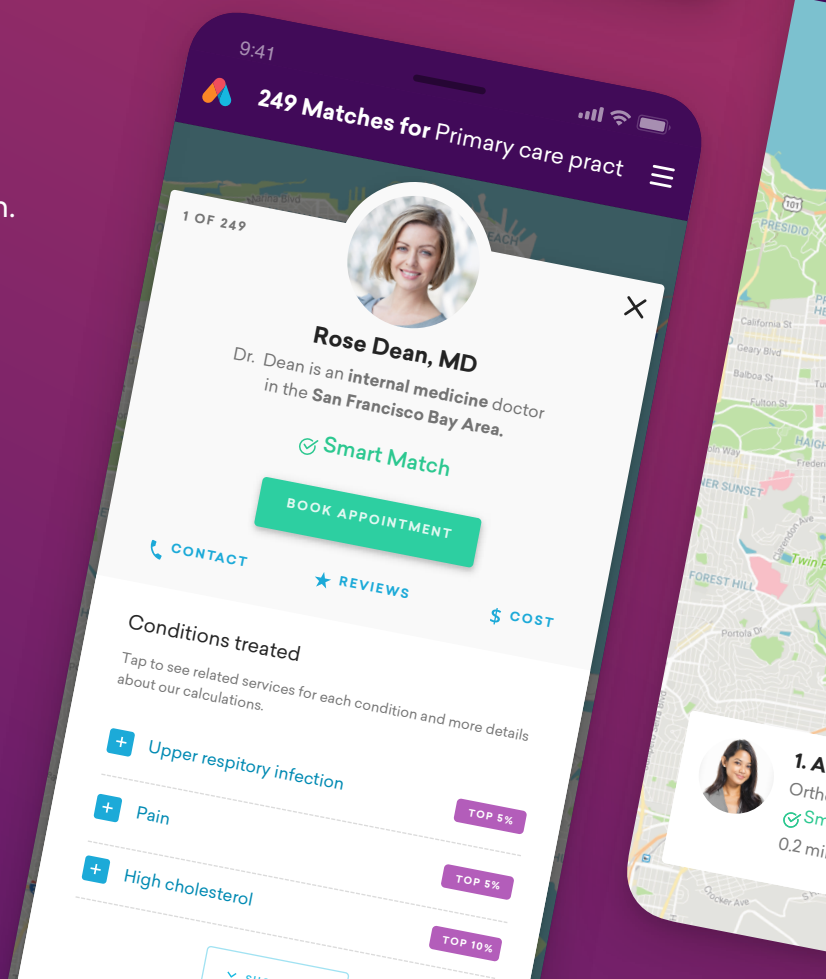

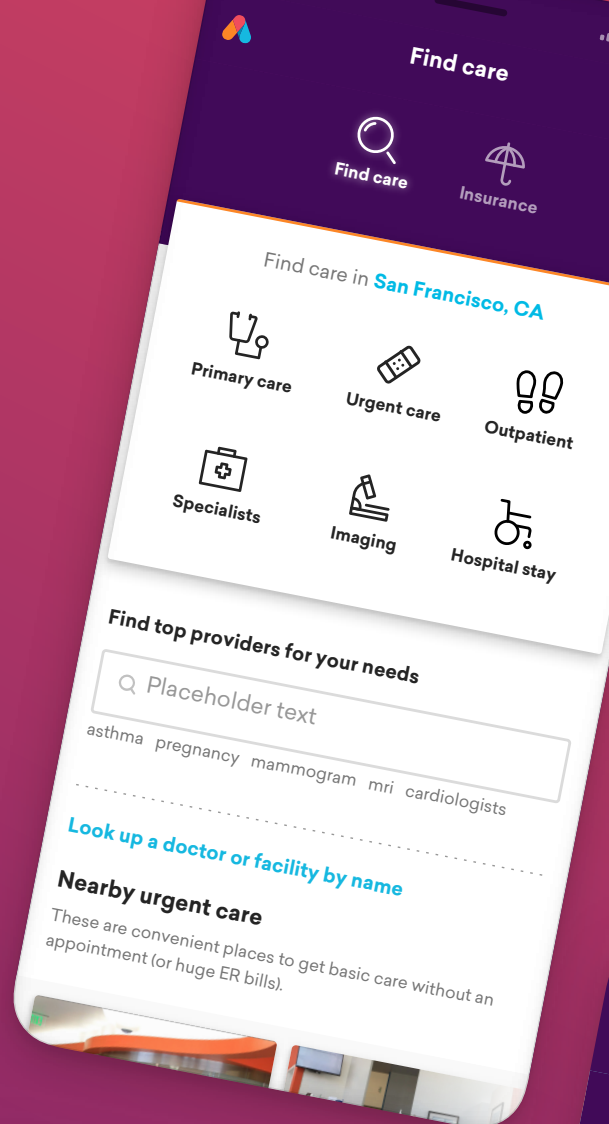

Keep tabs on how much you have spent toward your deductible and out-of-pocket maximums in real time.

SMART MATCHES

Easily see the best choice with Smart Match. Providers proven to be highly experienced and cost effective.

BOOK APPOINTMENTS

Never play phone tag with your doctor again. Simply pick a physician on Amino and let an Amino Assistant handle the rest.

Sign up for your Amino account

1. GO TO WWW.AMINO.COM

Click Login and Create an account.
Search for your employer and begin setting up your account.

You've got benefits

Great! Your employer provides you with full access to Amino.

In the next few steps, we'll walk you through a one-time account setup process. It won't take long.

2. CREATE AN ACCOUNT

Add your email and create a password.
We will send you a verification link to make sure we have the right email.

Verify your email

We sent you a temporary verification link .

Click the link to verify your email. If you don't see it, please check your spam folder.

[Send the link again](#)

3. VERIFY & START SEARCHING

Click the link you receive to finish setting up your account and start searching for care!

All set!

Remember to use Amino whenever you need to find a doctor or healthcare facility. It's the easiest way to stay in network and make use of all your covered benefits.
