a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations, impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. (24 CFR §903.7(o)).

**C.4 Challenged Elements.** If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

## **D. Affirmatively Furthering Fair Housing.**

### **D.1 Affirmatively Furthering Fair Housing.**

The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) .... Strategies and actions must affirmatively further fair housing ...." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

## Progress Report

Below is a description of BCHA's progress in meeting its Mission and Goals described in the 5-Year Plan: The following are BCHA's mission and goals as described in its 5-Year PHA Plan (2020), and BCHA's progress in meeting them:

BCHA's mission is to provide safe, decent and sanitary housing conditions for very low-income families and to manage resources efficiently. BCHA will promote personal, economic and social upward mobility to provide families the opportunity to make the transition from subsidized to non-subsidized housing. BCHA fosters the availability of quality, permanently affordable housing and related services for residents using broad community resources. It strives to accomplish its mission through community collaboration, effective services and programs, professional organization, efficient resource management, and expansion of funding sources.

**Goal 1:** Increase affordable housing opportunities through subsidies and permanently affordable homes

**Objective 1.1 –** Increase housing voucher utilization to greater than or equal to 800 vouchers leased and/or \$800,000 investment per month.

### Progress -

- As of yearend 2021, BCHA had 853 vouchers under lease and spent \$948,764 in HAP expenses for December.
- BCHA utilized 97.2% of the 2021 year to date budget authority and 97.1% of unit months leased.
- In April of 2021 BCHA was awarded 40 Mainstream vouchers serving households that have a member between the ages of 18 and 62 with a disability.
- In May of 2021 BCHA was awarded 34 Emergency Housing Vouchers in order to assist individuals and families who are: homeless, at risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability.
  - As of July 2022 16 EHV's were under HAP contracts with an additional 4 issued searching.
- In December of 2021 BCHA opened several subsidized and nonsubsidized waiting lists and received 5,104 total applications.
  - The Housing Choice Voucher Lottery waitlist received 736 applications.
- In April 2022 BCHA ran the lottery and selected 242 numbers to be contacted to receive either a Mainstream voucher or a Housing Choice Voucher. 125 households attended a voucher orientation eligibility meeting in May/June and as of July of 2022, BCHA had 38 new HCV admissions under HAP contracts with another 41 out searching and 8 Mainstream vouchers under HAP contracts with an additional 20 Mainstream Vouchers out searching.
- In April 2022 BCHA leased up 12 new Project Based Vouchers at BCHA's newest development the Spoke on Coffman in Longmont.

**Objective 1.2a –** Increase the number of permanently-affordable homes built or acquired by BCHA (within Boulder County, outside Boulder) to a minimum of 500 (total) by year 2024.

**Progress** - BCHA currently has 908 homes in its portfolio, with the below projects that were recently completed or currently under construction.

Development Name	# Homes Completed	Status
Tungsten Village (Nederland)	26	Completed 2020
The Spoke (Longmont)	73	Construction completed April 2022
Willoughby Corner (Lafayette)	N/A	In development stage currently – construction not set to start until quarter one of 2023. Proposed plan is a mixture of 400 permanently affordable homes for rent and purchase
<b>TOTAL</b>	<b>99</b>	

**Objective 1.2b** - Land bank three parcels of land for new BCHA affordable housing developments within 5 years for new construction.

**Progress** – BCHA completed the construction of two affordable housing communities and has made significant progress with entitlements for a future affordable housing community since 2020 in Boulder County.

In Q3 2020, BCHA completed construction of Tungsten Village, adding 26 affordable rental homes in the Town of Nederland, Colorado. The development was constructed with high-quality and energy efficiency intentions to provide long-term affordability in a remote and resource-limited mountain community.

In Q2 2022, BCHA added an additional 73 permanently affordable homes with the completion of The Spoke on Coffman in Longmont, Colorado. The Spoke on Coffman also includes a 262-space parking deck with bike and electric vehicle charging for residents and downtown employees, a commercial space with an enterprise café, and office space. In 2017, The City of Lafayette, Boulder County, and Boulder County Housing Authority (BCHA), partnered to purchase the vacant industrial-zoned land to provide much needed affordable housing in the City of Lafayette, Colorado. BCHA proposes 400 permanently affordable homes in a variety of building types, including duplexes, townhomes, apartments, and community amenity spaces. In Q2 2022, the Lafayette City Council voted unanimously in support of Willoughby Corner’s rezoning application. BCHA intends to begin construction activities for site work and Phase 1 (192 affordable homes) in Q1 2023.

**Objective 1.2c** - In partnership with Boulder County Regional Housing Partnership, increase the number of homes in the County region (including Boulder) that are permanently-affordable to households with low- and moderate-income so that 12% of all housing inventory meet these criteria by year 2035.

**Progress** – Since 2018, an additional 1,058 permanently affordable homes have been added to the region’s supply. There are 1,320 more permanently affordable homes in the pipeline to be built or acquired in Boulder County.

**Goal 2:** Preserve the affordability of existing affordable housing stock

**Objective 2.1** – Make substantial capital improvements to 3 BCHA properties.

**Progress** - Significant upgrades were conducted at seven of our property’s community rooms to ensure our residents' continued health and safety when gathering. These upgrades included finishes that are easily sanitized items including laminate flooring, painting, cabinets, laminate

countertops, and furniture upgrades. The furniture upgrades will allow for an easier social gathering with lighter movable furniture.

The Fire Alarm Control Panel system at Prime Haven in Nederland was antiquated requiring an upgrade to the new panel to ensure the safety of the six units at this location.

In partnership with a local grant, BCHA has identified prime sites for Electric Vehicle charging stations across the portfolio. With these installs, we are aiming to improve equity, mitigate air pollution and offer access for long-distance commuters. We are aiming to have two dual-port stations and one single port station installed by the end of 2022.

Josephine Commons in Lafayette- The Domestic Hot Water Storage Tank is near the end of its useful life due to sediment build-up and improving access to the storage tanks. BCHA will be rerouting the distribution from and to the water heaters. This complex modification will appear seamless to the 74 senior units located at this property.

The playground at Aspinwall in Lafayette experienced drainage issues causing unhealthy conditions for the communities' children. The surface of the playground was removed allowing for the installation of additional drainage added to ensure proper drainage.

**Goal 3:** Continue to support the vision of the Boulder County Department of Housing and Human Services, to provide housing and wide-ranging supports for stability and moves toward self-sufficiency

**Objective 3.1** – Support residents with human services and life skills training through the Family Self-Sufficiency (FSS) program, a 5-year academic, employment and savings initiative program designed to help families with low income gain education and career skills. BCHA's FSS program is made up of 75% of the families residing in BCHA owned units and 25% of the families residing in units owned by Boulder Housing Partners who through an intergovernmental agreement work with BCHA's FSS program.

**Progress** – In 2021, FSS served a total of 154 families between BCHA and BHP and had the following outcomes:

- 23 successful FSS graduates (18 BCHA, 5 BHP)
- Total escrow disbursed \$214,855.58 (\$172,603.80 BCHA, \$42,251.78 BHP)
- 3 graduates purchased a home ( BCHA)
- 1 High School Diploma
- 6 obtained professional certificates
- 2 Associate's degrees
- 2 Master's degrees

In 2022 between 1/1/2022 and 5/31/2022, FSS served 137 families between BCHA and BHP and had the following outcomes:

- 5 successful FSS graduates (2 BCHA, 3 BHP)
- Total escrow disbursed \$40,359.92 ( BCHA \$19,306.62, BHP \$21,053.30)
- 1 MA Certificate
- 1 Bachelors in Biology

**Objective 3.2** – Provide counseling and education to clients in the areas of personal finance to help them build skills and increase their knowledge capacity in their move toward self-sufficiency.

**Progress** – In the fund year of 2021, Boulder County’s Education Personal Finance Program served 1556 households through their individual counseling appointments or workshops focusing on homeownership training, budgeting and money management, banking and investing, and debt.

22% of households meeting with Personal Finance Program staff for individual counseling appointments came from internal Boulder County referrals. From January 2022 until May of 2022 the program has met with 224 households addressing concerns in the areas of increased cost of living with stagnant wages, housing insecurity and debt management.

**Goal 4:** Manage resources efficiently

**Objective 4.1** - Meet or exceed an occupancy rate of 96% or greater for BCHA properties.

**Progress -**

- In 2020, Property Management maintained occupancy of 94% or greater.
- In 2021 Property Management maintained occupancy goals of 93% or greater.
- From January to May of 2022 Property Management has maintained occupancy goals at 94% or greater.
- The reasons BCHA has not been able to maintain the goal for a 96% occupancy in 2020 and 2021 have to do with a variety of factors including:
  - Covid-19 Pandemic affecting the ability to perform maintenance work to turn and re-lease vacant units.
  - Shortage of property management staff, BCHA had been understaffed since 2019 and going into the pandemic made recruiting and hiring efforts difficult, additionally BCHA experienced a turnover at the leadership level that contributed with the inability to post vacant positions as well as undergoing a compensation study and department wide reorganization to ensure staffing levels were adequate.
  - The Casa de la Esperanza agricultural Housing site has 32 units, and qualified tenants must meet HUD’s Rural Development eligibility guidelines for active farm labor employment. BCHA currently has 11 vacancies at this property due to the lack of qualified applicants. Despite multiple recruitment efforts and work with local qualifying employers BCHA has been unable to fill these vacancies. BCHA is in the process of exploring loan conversion or payoff options with HUD’s Rural Development in order to be able to modify the eligibility requirements for applicants to fill these units. Until that occurs the vacancies at this site will have affect on BCHA’s total occupancy rate.

**Objective 4.2** – Meet or exceed rent collection of 97% or greater for BCHA property residents.

**Progress –**

- In 2020, Property Management ensured rent collection of 79% or greater.
- In 2021, Property Management ensured rent collection of 84% or greater.
  - BCHA did not met its stated goals as it related to occupancy or rent collection in 2020 and 2021 due to the fiscal impacts of the COVID pandemic as well as staffing shortages. Tenant’s ability to make full, regular rent payments and the

eviction moratorium are two significant, contributing factors. Occupancy rates have remained relatively flat over the last 2 years with both BCHA and BCHA/LIHTC's occupancy rate decreasing only 1% over 2020. This combined with BCHA's higher than typical TAR indicates BCHA has about the same about the same number of people occupying the units, but the tenants have struggled to make their rental payments as a result of financial instability from the pandemic. BCHA Property Management staff worked closely with residents to access internal, state and US Treasury funds. Delivery of payments from those sources were delayed at times due to the volume of processing, which impacted BCHA's TAR numbers.

- From January to May of 2022 Property management ensured rent collection of 89% or greater.
  - Boulder County continues to offer Emergency Rental Assistance to households experiencing a financial hardship related to COVID-19 or during the pandemic, this resource is still offered to tenants who have struggled or continue to struggle to make their rental payments as a result of financial instability from the pandemic. BCHA Property Management staff continue to work closely with tenants to access these funds.

**Goal 5:** Continue collaboration with other agencies to provide supportive services, programs, and subsidies to BCHA clients with low- to moderate-income

**Objective 5.1 –** Through partnerships with at least one other program or through additional funding received by BCHA, provide supplemental support and subsidies for residents and voucher-holders for non-housing related expenses.

**Progress 1 – Casa de la Esperanza –:** Casa de la Esperanza is a 32-unit residential community dedicated to helping agricultural workers. The community is owned and operated by the Boulder County Housing Authority in the City of Longmont. The first migrant families moved in during the fall of 1993. The Casa de la Esperanza program was initiated to serve the 100+ children and youth living on site. Partnerships with local agencies and groups provided many resources and services that have greatly benefitted the community for several years. Hundreds of volunteers from the local universities, corporations and the community have contributed thousands of hours of service to the Casa community annually as tutors, robotics mentors, teaching classes, organizing activities and events. For over 30 years this center has provided educational and recreational services to Casa residents, including an onsite “after-school” program and academic center.

The Casa de la Esperanza program also focuses on helping the families thrive by referring families to local organizations like Intercambio, Finance Program in Boulder County, Citizenship classes and homeowner's education program. In the last 7 years, 15 families have purchased homes in Colorado. Some of those families bought homes near the Casa de la Esperanza site and continue participating in the program. An example of a program that most families continue participating in is the twice per month food distribution offered by Community Food Share. In 2021, the Casa program also partnered with Bridge House to offer “Mission Meals” which includes frozen, pre-cooked meals in a bag to help food-insecure households. The mission meals were offered the majority of 2021 and then again in 2022 the program received a grant for

\$21,000 to continue mission meals for one more year. The grant was through the Sustainable Food and Agriculture Fund which is supported financially by the Sustainability Tax Revenue.

**Progress 2: Community summer program and giving fund:**

4H Summer Program: Boulder County 4H will be hosting a 3 weeklong summer program to Sunnyside and Kestrel students ages 8-12. The program will begin in June and 15 students will participate and explore different topics including science, technology, engineering, art, and math. Activities will include sewing with technology, solving mysteries, imperfect art energy, space, and more!

Cooke Charitable giving fund: The Kestrel community has an on-site food pantry. Partnerships with Sister Carmen and Community Food Share help keep the pantry stocked with non-perishable foods. In 2021 we identified a need to provide fresh produce and other healthy foods that we don't receive from Sister Carmen Community Center or Community Food Share. Renee Cooke, an Erie resident expressed an interest in helping Kestrel residents and other BCHA residents in the Louisville area get access to fresh produce. Renee began donating fresh produce, dairy, and other healthy foods in June of 2021. In 2021, Renee donated over 1,700 pounds of food. Renee continues to donate food on a bi-weekly basis and residents are grateful for her donations.

**Progress 3: Senior Services collaboration with Community Partners, Public Safety agencies and COVID Vaccination Clinics:**

The Senior Services program regularly works with community partners to offer programming of interest to our residents. Over the past year we have held several programs. In February and March 2021 our staff assisted the county's Public Health Department in offering COVID19 19 vaccination clinics on site for our residents. During this time access to vaccinations was limited. The public in general faced barriers to access due to limited supply and many had to travel great distances to find pharmacies that could provide it. The online sign-up process was burdensome. Public Health staff and King Soopers pharmacists came to four separate housing sites and provided both shots to our residents. Our staff assisted in scheduling residents, setting up the sites, coordinating with pharmacy staff and completing paperwork with residents. Over 120 residents received vaccinations through this program.

Circle Talk is a structured conversation program designed for older adults. It encourages participants to share meaningful events and insights from their lives with the goal of decreasing feelings of isolation. This year we offered two of these groups to residents at different sites. Both were well attended and received positive feedback from the participants after they ended.

We work closely with public safety agencies as well. The Louisville Fire Protection District provides monthly on-site blood pressure checks at the Kestrel 55+ building. The Lafayette Fire Department attended a resident meeting to provide information about emergency preparedness and fire safety. The Lafayette Police conducted a drug take back program on site at Josephine Commons to help residents dispose of old medications safely.

Boulder County's Mobility For All program, part of the Transportation department, regularly includes BCHA sites as a focus of their program. When Kestrel in Louisville opened in 2017, they partnered with BCHA in offering all residents a free Eco Pass allowing residents to use all RTD busses and Flex Ride programs free of charge. They expanded their partnership with CarShare to offer discounts to BCHA residents and have cars parked at Kestrel and Josephine Commons. The Ride Free Lafayette program is an on-demand shuttle service that provides door-to-door service for all Lafayette residents and includes service to Kestrel.

The Boulder County Area Agency on Aging provided a "Matter of Balance" class at Josephine Commons and taught participants methods to improve their mobility and balance. Coal Creek Meals on Wheels continues to provide on-site dining at Josephine Commons, as well as providing meal delivery to many BCHA residents. Residents at Kestrel and Josephine Commons have access to on-site community garden plots and every spring they can receive free vegetable plants from the Growing Gardens program.

**Goal 6:** Collaborate with local and regional partners, as appropriate, to support community and regional affordable housing goals

**Objective 6.1 –** Act as administrator of the Boulder County Regional Housing Partnership, which began in 2016, to provide leadership and guidance to further long-term regional housing affordability for households with low- to moderate-income, with a goal of increasing inventory by 12% or 12,000 homes by 2035. These objectives are measured by 1) number of homes created, 2) amount of funding available for creation or preservation, and 3) policy and regulatory changes made possible through the Partnership.

**Progress –** Since the beginning of the COVID-19 pandemic in March 2020, Regional Housing Partnership activities, particularly related to coordination with jurisdictions and outreach to and engagement with the community, have slowed. Boulder County Housing and Human Services (HHS) continued to provide leadership through this time in two areas:

1. Boulder County HHS developed a campaign known as "Home Together" that highlighted the importance of housing stability during the pandemic in terms of the healing and protective supports it provides. This campaign helped promote the Partnership's purpose and expanded the Regional Housing Partnership's reach through its Home Team sign ups. This expanded contact list will be helpful for upcoming outreach as the Partnership enters its next phase of leadership in the community (see next item).
2. The Boulder County Regional Housing Partnership launched discussions around a regional approach to Inclusionary Housing across multiple jurisdictions that have been passing or considering Inclusionary Housing ordinances over the past two years. In the latter half of 2021 and the first half of 2022, in particular, significant progress has been made in terms of jurisdictional participation in Regional Housing Partnership planning sessions. As of late May 2022, the Partnership is poised to present for consideration an Intergovernmental Agreement to help guide potential coordination by the Partnership of Inclusionary Housing policy implementation and regulation across the County. There is also discussion around use of some American Rescue Plan Act (ARPA) funding to help support some of this coordination, given the excellent potential for leveraging significant additions to affordable

housing across all communities in the County through effective and efficient implementation of Inclusionary Housing ordinances.

**Objective 6.2** – Continue to play an active role in furthering the goals of the Boulder Broomfield Regional (HOME) Consortium, a regional planning group made up of the cities of Boulder and Longmont, the City and County of Broomfield and Boulder County. The Consortium’s guiding document, the Consolidated Plan, provides and analyzes market data and housing and community development needs, and designs a strategic plan, with input from the public, used to distribute federal, state and local sources.

**Progress** – Since 2015, the Consortium allocated more than \$7 million in federal HOME Investment Partnership Program (HOME) funding, which was split by the four jurisdictions, including Boulder County, City of Boulder, City of Longmont, and City and County of Broomfield, on a rotating cycle. In 2019, the Consortium updated its intergovernmental agreement and hired a research consultant to begin collaboration on the upcoming 5-year Consolidated Plan to start in 2020. The results of that analysis and the Boulder Broomfield HOME Consortium 2020-2024 Consolidated Plan is available for review along with the Housing Needs Assessment stand-alone exhibit to the Consolidated Plan.

**GOAL 7: Maintain compliance with Fair Housing laws**

**Objective 7.1** – Advertise for property and voucher vacancies in accordance with BCHA’s Affirmative Fair Housing Marketing Plan (AFHMP) to ensure applicants of all majority and minority groups, regardless of sex, disability, familial status, etc. are aware of BCHA’s housing opportunities.

**Progress** – In 2020, 2021 and to date in 2022 BCHA has advertised its vacancies in accordance with the AFHMP by distributing information to close to 60 diverse local agencies.

Additionally, BCHA also completed the following advertising for the Spoke on Coffman:

- Regular Constant Contact message to those on the interest list
- Reached out to underserved populations in partnership with Longmont Downtown Development Authority
- Software application uses Google translate, allowing the content to be accessible in many languages
- Posted vacancies in Colorado Housing Search

**Objective 7.2** – Design and distribute extensive marketing materials for properties, services and programs to potential clients, with information about BCHA’s non-discrimination policy and their right to request a reasonable accommodation for fair access to information and services.

**Progress** – In addition to maintaining a dedicated webpage for each of our new developments, BCHA provides regular social media advertising to more than 4,000 followers (English Facebook page, Spanish Facebook page, Twitter, and Instagram. We also utilize LinkedIn for employment opportunities) and members of many local Facebook groups. Topics include public support programs (eligibility information and program updates), housing opportunities (including application openings, waitlist openings, affordable rentals, and development updates) public meetings, upcoming financial counseling workshops and homeownership training opportunities, promoting community engagement (community design activities), newsletters and other publications, as well as relevant posts by our community-based partners. We also post available housing opportunities on Craigslist and our [www.BoulderCountyHousing.org](http://www.BoulderCountyHousing.org) website. As

appropriate, these communications include BCHA's non-discrimination policy and reasonable accommodation clauses and were translated into Spanish. The non-discrimination policy statement is printed on all of our housing-related marketing materials.

**Objective 7.3** – Continue to improve the administration of BCHA's Reasonable Accommodation Committee, providing an opportunity for applicants, residents and program participants with a disability to request an accommodation and/or modification to be able to fully participate in a program, take advantage of a service and have an equal opportunity to use and enjoy a dwelling, including public and common use spaces.

**Progress 1** - The Reasonable Accommodation (RA) Committee experienced great improvement over the past several years through streamlined processes, updated policies and request packets, and more oversight and coordination by County attorneys.

While BCHA is unable to influence requests, as it is based on client needs and initiative, the table below provides data regarding the number of requests and determinations from 2020-2021. Requests have included, but are not limited to, increase in bedroom size, increase in payment standard, addition of a live-in aide, addition of a companion animal or service animal (to be able to reside in a home), and various home modifications. Determinations were made based on information received and a connection between a person's disability and their need for the accommodation.

<b>2020</b>	<b>113</b>
<b>2021</b>	<b>107</b>
<b>2022</b>	<b>78 as of July 2022</b>

**Progress 2** - BCHA held a Fair Housing training for staff hosted by the Colorado Housing and Finance Authority (CHFA) on February 27, 2020. The training provided continuing education to program staff, including the voucher program, property management, maintenance, resident services, and attorneys, in the areas of fair housing and reasonable accommodation/modification, to increase staff knowledge to help ensure continued inclusion and compliance. Basic Fair Housing trainings are available to all of our staff through our contract with Tschetter Sulzer, P.C.; additionally we are members of the Colorado Housing and Finance Authority and staff are also able to register for on demand trainings in basic and advanced Fair Housing, Reasonable Accommodations, Assistance Animals, HUD Section 504 Requirements, VAWA and Limited English Proficiency Plans. Due to COVID-19 large in person trainings were suspended during 2021. BCHA will be holding an in-person Fair Housing training for staff hosted by CHFA on October 25, 2022.

Re: **Local Residency Preferences Voucher Program**

### Background

The Administrative Plan for the Housing Choice Voucher Program contains the policies that explain how Boulder County Housing Authority (BCHA) administers the Housing Choice Voucher Program. Chapter four discusses admissions policies for the various special voucher types BCHA administers along with standard housing choice vouchers and project-based vouchers. Currently BCHA offers a local preference as permitted by federal regulation 24 CFR 982.207 “PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.”

BCHA currently has two local preferences in place that affect an applicant’s selection order on our subsidized waiting lists.

For all project-based voucher and housing choice voucher waitlists applicants will receive 5 preference points for being a Boulder County resident as defined as:

- a head of household (HH) or spouse living in Boulder County
- a HH or spouse who works at least 20 hours per week within Boulder County
- a HH or spouse who attends school full-time within Boulder County
- a HH or spouse who is elderly (62+) and does not currently reside in Boulder County, although has an adult child, parent, or sibling who resides in Boulder County
- a HH or spouse who has a disability who does not currently reside in Boulder County, although has an adult child, parent, or sibling who resides in Boulder County

Applicants will receive an additional 5 preference points where one or more of the following are true:

- the HH or spouse is elderly (age 62+)
- the HH or spouse is an individual with disabilities
- the household contains children under the age of 18

Housing restrictions in favor of local residents have long been a concern of civil rights advocates and the Fair Housing Act is legitimately concerned with local-resident preferences, particularly those whose justifications are old or not well considered. Local preferences imposed may reflect intentional discrimination. But even if they do not, such preferences invite Fair Housing Act disparate-impact claims; which require the agency to be able to prove that its challenged policy is necessary to achieve a valid interest and that its justification “must be supported by evidence and may not be hypothetical or speculative.

Boulder’s neighboring counties include Gilpin, Grand, Jefferson, Larimer, and Weld. Currently any applicants to BCHA’s waitlists from these neighboring counties would have to be working 20 hours a week within the county limits or qualify as an elderly and/or disabled household, trying to relocate closer to their relatives who live in Boulder County. The relative makeup of the larger counties (Jefferson, Larimer, and Weld) compared to Boulder are all similar in population size and reported race and ethnicity data per the 2021 Census Data as well as number of persons in poverty.

Race and Hispanic Origin	Grand County, Colorado	Gilpin County, Colorado	Larimer County, Colorado	Weld County, Colorado	Jefferson County, Colorado	Boulder County, Colorado
Population Estimates, July 1 2021, (V2021)	15,860	5,873	362,533	340,036	579,581	329,543

Based upon the similar characteristics among the counties, it is my recommendation that we remove our local preferences related to residency status. There is no justification that a local preference for the voucher program would serve additional minority groups. Additionally, in order to receive housing assistance households still have to income qualify at no more than 50% of the area median income for their household size. The populations meant to be served under the voucher program, lower-income, elderly, disabled, and households with minor children, will still be served by eliminating the residency preference.

In December of 2021 BCHA received 773 applications for the Housing Choice Voucher Lottery list, 582 or 75% came from current Boulder County residents who lived in the county, an additional 64 households that did not live within Boulder County limits claimed the residency preference for either working in the county or having relatives that currently reside in the county. In total that meant 646 households out of 773 were considered local residents. By removing this local preference it would allow the additional 127 households an opportunity to be considered for housing assistance within the county limits.

In the event that a household who is not a county resident is selected to receive voucher assistance would have to utilize their housing assistance within the county limits for their initial 12 month lease before being able to exercise the portability option.

BCHA’s annual plan is currently out for public comment and a portion of the annual plan asks if there have been any changes to the agency’s policies that govern eligibility, selection, and admissions. BCHA has proposed the removal of the local residency preference in the draft plan that is out for public comment. If approved this change would go into effect January 1, 2023.

## Expanding Access to Diverse Housing for Our Community

Created in collaboration with nine jurisdictions in Boulder County, our regional housing plan *Expanding Access to Diverse Housing for Our Community* recognizes that many interconnected issues and opportunities are important elements of the discussion around solutions to the housing affordability crisis we face. Therefore, local jurisdictions and essential partners in the private sector, housing authorities, and non-profit organizations will collaborate to develop and preserve diverse and affordable housing options.

In addition to helping advance a region-wide goal, every city and town has the opportunity to help inform the solutions advanced by this plan and then use them to meet their own goals. Addressing Boulder County's housing needs has required and will continue to require numerous community collaborations and partnerships. ## 2022 Resident Advisory Board Meeting

9/21/22 10:30-11:00am

### Kestrel Senior Building Community Room

1130 Kestrel Lane, Louisville, CO 80027

## Sign In Sheet

[illegible]

**Resident Advisory Board Meeting Minutes**  
**Meeting held at Kestrel 1130 S Kestrel Lane Louisville, CO 80027**  
**September 21, 2022 10:30AM-11:40AM.**

- Several attendees expressed concerns about incoming tenant and new tenant issues – regarding understanding the rules about the properties – accepting what it is and not being able to change items. Residents don’t always feel heard by management, and want to understand why some properties have different features such as cameras and gardens and others don’t and how can they request those items.
  - Kelly explained capital needs assessments, budget requests to the County and BCHA’s future development plans.
- Overall comment from residents at Josephine Commons “I am blessed to live here” but the little things do drive them “nuts”, and there is frustration that many residents voice complaints amongst themselves but in broader group meetings with management will not speak up.
  - Kelly advised attendees to continue to express their concerns with management during resident meetings, and or upper management as appropriate. Also explained new structure of the housing authority and staff turnover.
- At Aspinwall one attendee expressed issues – with parents parenting their kids, and alleged drug use. The question was brought up question can’t Boulder County drug test applicants and residents on a regular basis. We discussed what BCHA’s illegal substance policy is, how it is enforced and what goes into investigating offenses, file documentation and the legal process for terminating housing assistance and/or lease. Attendees did express thanks to the new property manager Holly D. she has been working hard to enforce lease compliance and is very good at her job.
  - Kelly advised that if residents are concerned about illegal activity and drug use they need to be contacting the police. BCHA receives copies of police reports for our properties and would take appropriate action as warranted once police reports are received.
- Attendees also shared positive feedback regarding BCHA Maintenance staff – grounds are looking better, maintenance is more timely with the work orders being completed and things are overall going well.
- Attendees liked the fact that BCHA property managers do 30 day visits after new move in’s to check in on any questions, follow up on keep points of the lease and make themselves known. Some attendees were disappointed that they did not receive these visits, but it happened during a transition of staff members.
- Attendees agree that more supportive services for people receiving housing is needed – especially for populations that were previously homeless, having mental issues, advocates to help clients through the lease signing process to understand rules and regulations.
  - Kelly discussed future voucher opportunities and how those don’t often come with supportive service dollars, but multiple agencies have started advocating on the federal level for more supportive service dollars. Kelly also talked about BCHA’s resident services efforts and plan to engage more with vulnerable residents before actions escalate and result in evictions.
- Attendees would like to see more resident services programs onsite – activities to bring the community neighbors together. Pre-covid really enjoyed Kestrel programming. Expressed a desire for raised garden beds for seniors at senior properties.
- All attendees were in support of BCHA’s plan to remove the local residency requirement – comments included that this would “bring more diversity into our buildings and programs.” It would help build a more representative and inclusive community. Attendees would like to see a preference for homeless seniors, they expressed that they see this population growing and being out priced.
  - Kelly explained current voucher options specific to currently homeless or previously homeless populations that BCHA has in place.
- One attendee who is a resident at Kestrel wanted to know what happened to composting and would BCHA bring that back, they view that as an important environmental activity.

### **Public Comments Received on BCHA's 2023 Annual Plan**

45 Day Comment Period 8/15/22-9/29/22

- I agree with the plan and I just hope that the amount that we receive every single month for rent is also meeting the housing market . It's hard to find a home that meets all the criteria and at the end of trying to find a home or an apartment you simply feel defeated because the rates of our rent don't meet the new prices for the housing market. if they increase the housing prices, I believe our voucher should increase with it .
- I feel that there needs to be more background on participants coming in the programs.
- Some of the residents that stay in low income houses treat the other tenants that are different ethnic background Very uncomfortable For example( By telling their children not to play with your children by spreading discord to other neighbors to not talk to you Even if just say Hi or goodbye They will just stop talking to you because they will feed on the negative instead of the positive.) The best advice is just to stay positive they are beautiful homes; beautiful management and the maintenance is awesome.
- I really appreciate this opportunity to have a chance to give recommendations for improvement in the Boulder area affordable housing properties; particularly in the Kestrel area where I have lived since December 2017.

## **Public Hearing Held September 29, 2022 Public Comments**

Due to the hearing room remodel project, public meetings and hearings are being conducted virtually. Meeting was conducted via zoom from 11:30AM until 12:15PM.

No members of the public were present or opted to sign up to speak during the meeting. No additional comments came in during the meeting.

### **Kelly Gonzalez provided overview of proposed changes of plan:**

- Called attention to the misprint in the agenda- to clarify that the plan is for CY 2023, not 2022
- Comprehensive guide for policies, procedures, and strategies guiding HA's work
- Current 5-year plan is in effect until 2024
- Requesting public comments for 2023 1-year plan
- Noted the plan is in draft form to allow any comments received from the RAB and Public Hearing meeting be incorporated in order prior to final submission to HUD
- Final plan will be presented on the 10/11 business meeting
- Presented an overview of the plan and the required documents
- Specifically noted PBV can be applied to 20% of the units. Can go up to 190. For 2023 we don't anticipate additional PBV units. It is an option available should BCHA chose to exercise it.
- Also, discussed the 2 Local preferences are currently established: residency and demographics served (elderly, disabled and/or families with children)
- Reasoning- recently, scrutiny from oversight agencies and funders has been expressed regarding local preferences, specifically the residency preference because it *can* contribute to issues regarding segregation. In the past, this preference was applied to ensure you were meeting the local needs of the community. However, many households may have been priced out of BOCO, and then it creates a barrier to return to the community they want to live in. BCHA reviewed census data prior to making this recommendation.
- Census data supported removal of the preference based on the demographic makeup.
- To receive housing assistance, households still have to household qualify, and the populations intended to serve, will still be served (elderly, disabled and/or families with children)
- Received 773 applications from the HCV lottery, 646 out of 773 were already BOCO residents.
- If a person is selected for a voucher and doesn't reside in the County, they are required to live in the County for 12 months.
- Presented this plan at the Resident Advisory Board (RAB) (comprised of individuals who either live in in BCHA properties or are voucher holders in BOCO). Received several positive comments- support to see the local preference removed. The RAB also expressed interest in learning more about a preference for folks experiencing homeless that are elderly.
- No dissent with plan or concern with removal of the preference, and support was received with the understanding that it may expand housing options and access as it relates to equity, inclusion, and diversity in the community.
- Kelly also provided a brief update on the progress towards goals in the 5 year plan.

### **Commissioner Levy:**

- Compliment on the heavy lift on the work completed to meet the HUD requirements and appreciate the consideration and spirit in approaching the preference removal- I concur it is the right choice.

### **Kelly Gonzalez:**

- Provided overview to the board on the next steps/process for the approval of the annual plan which will also trigger a response on the

### **Commissioner Lochamin:**

- Requested additional clarification about the “local” preferences
- She also requested additional information about the makeup of the resident advisory board

**Kelly Gonzalez:**

- Clarified that “local” preferences are specific to the HA, but we are requesting to eliminate the local preferencing, but will keep the population served: elderly, disabled, families with children
- ALL BCHA residents and BCHA voucher holders received notification of the opportunity to participate in the RAB. Outreach was conducted via email, text, and website. Folks were able to provide comments and were also invited to the meeting. BCHA received interest from 17 residents, and 11 stated they would attend. Actual in person meeting attendance was 6, but was a robust, and active group.
- Equal split of BCHA tenants and the balance were BCHA tenants were also receiving the voucher

**Commissioner Lochamin:**

- Commented that it will be interesting to see what the feedback is from the community about removing the residency preference, and if there will be any way to see the impact in a 1-2 year period.
- **Asked a question around the occupancy information and how ARPA funds will contribute to increasing occupancy**

**Amanda Guthrie**

- Discussed the factors that are impacting occupancy- which can be attributed to Casa and Aspinwall CDOH contract/regulatory requirements that are limited. Provided information about how the demographic had changed and BCHA was seeing a decline in Ag workers due to a change in the area
  - Discussed that the Aspinwall Tenant Selection Plan was put in place prior to the CDOH contract and the clients that CDOH serves has changed and they are not meeting Aspinwall’s eligibility.
- **ARPA funds- Amanda indicated she was not familiar enough with the plans for the ARPA funds to determine if/how it would impact the Occupancy.**

**No public comment or requests from the public, resulting in move to meeting being adjourned.**

**Commissioner Lochamin:**

- Requested Kelly recap next action steps and deadlines regarding the plan

**Kelly Gonzalez:**

- Kelly provided updates on where the plan can be accessed via website and physical locations (HUB and N. Broadway).
- After today’s meeting, Kelly will finalize the plan, incorporating comments from RAB and anything received through the public comments process.
- Plan will be presented to the Board on 10/11 to approve submission to HUD.
- Proposed changes outlined in the plan will go into effect on 01/01/2023.

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning January 1, 2023, in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
  - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
  - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and

6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
  10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
  11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
  12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
  13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
  14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
  15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
  16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
  17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
