

The Safe Routes Lending Library offers educational transportation safety resources that are free to borrow for your one-time or short term events. By providing an online request system to reserve free-to-borrow safe walking and biking resources in English and Spanish, the Lending Library aims to help local partners increase their capacity to promote and encourage safe walking and biking.

The Lending Library is brought to you by the Safe Routes Regional Hub managed by Boulder County's Youth Transportation Program.

Please allow up to 72 hours for a response to your request. We highly recommended submitting a request 8-10 business days in advance of your desired event date. Requests are responded to in the order in which they are received and cannot be guaranteed.

Lending Library Inventory -

Identify the resources you would like to borrow and request them online. Please keep in mind that requests are fulfilled on a first-come, first-served basis and cannot be guaranteed.
