Finding a Job

Use Safe Job Search Sites

- If job searching online, make sure you're searching on safe and reliable sites:
 - www.USAJobs.gov
 - www.CareerOneStop.org
 - www.ConnectingColorado.com

Research the Company or Organization

- Do an online search of the company, plus the words "scam", "review", or "complaint"
- Talk to someone you trust and describe the job offer and company
- Research professional licensures by visiting <https://dpo.colorado.gov/>
- Research business licenses by visiting the Colorado Secretary of State website at <https://www.sos.state.co.us/>
- Visit your local Workforce Center to talk with a Specialist who can help you navigate finding employment:
 - Workforce Boulder County
 - Phone: 720-776-0822
 - Email: workforce@bouldercounty.org
 - Boulder: 1333 Iris Avenue
 - Longmont: 515 Coffman Street

Never Pay for a Job

- Employers will never ask you to pay to get a job and anyone who does, is a scammer

Never bank on a "cleared" check

- No legitimate employer will ever send you a check and then request part of the money or request to buy gift cards or cryptocurrency with it
- The check will bounce and the bank will want you to repay the amount of the fake check

Beware of Job Red Flags

- **The company promises a "golden" opportunity like being your own boss, making thousands, or work-from-home**
- **Asks for payment of some sort to secure the job or to purchase a list of potential jobs**
- **Wants to send a check and then request part of the money back in the form of gift cards or cryptocurrency**
- **Rush you to take a job immediately**
- **Automatically tell you "You're Hired!" without a traditional interview**
- **They can contact you, but you cannot contact them**
- **Require you to send copies or photos of your driver's license and Social Security card before any formal interview process**

What to Do if you Paid the Scammer

Immediately contact the company you used to send the money, report the fraud, and ask to have the transaction reversed.
