Please note: Due to COVID-19, BIDS will only be accepted electronically by emailing purchasing@bouldercounty.org.

1. Question: If I am only going to bring in sub-contractors who hold their own insurance, do I need workers compensation coverage?

ANSWER: In the case that Colorado State Law does not require a vendor to carry workers compensation insurance, a waiver can be signed.

2. Question: I do not have any employees and only bring in subcontractors who hold their own insurance. Therefore, my insurance does not currently include worker's compensation. I have a "Declaration of Independent Contractor Status form". Can I submit this form to waive the worker's compensation obligation of this contract?

ANSWER: You will just be asked to submit our workers compensation waiver form referenced in the previous question.
