PROPOSAL INSTRUCTIONS

1. Purpose/Background

Launched in 2014, Wildfire Partners is Boulder County's wildfire mitigation program. Homeowners, with the assistance from Wildfire Partners, work to better protect their homes by actively creating and maintaining defensible space (in addition to home hardening efforts).

This RFP is for forestry contractors to be included on the Wildfire Partners Forestry Contractors List and to be eligible to bid on and complete defensible space projects for participating homeowners. From 2015 to 2022, Wildfire Partners Forestry Contractors completed over 960 defensible space jobs totaling more than \$2.5 million. Some residents hire Wildfire Partners Forestry Contractors to complete work that is not associated with defensible space and a Wildfire Partners Financial Award. This work is not included in the above totals.

Homeowners apply to join the program. Applications that meet all program criteria are accepted into the program as funding and mitigation specialist are available. Over 3,200 homeowners are currently in the program. Wildfire Partners offers motivated homeowners different benefits depending on their location. Some of these benefits include:

- A comprehensive, on-site, wildfire home assessment with a Wildfire Mitigation Specialist
- A Wildfire Partners Assessment Report that identifies the weak links in a home's defenses and specific mitigation measures to be undertaken.
- Wildfire Partners Financial Awards
- Free access to Wildfire Partners Phone Advisors
- Follow up visits and inspections with a Wildfire Mitigation Specialist
- For qualifying homeowners who pass their inspections, a Wildfire Partners Certificate, yard sign and letter stating that they have performed mitigation

The forestry contractors are not responsible for defensible space marking. This task is performed by Wildfire Partners Mitigation Specialists. Homeowners are required to actively participate in

their home assessments so that they learn the principles and science behind wildfire mitigation. Homeowners provide essential input to the Wildfire Mitigation Specialists as they mark vegetation for removal as part of the program. The specialists use an iPad assessment app to gather information, take photographs and evaluate 50 mitigation related questions grouped into 10 different categories (i.e., roofs, decks, zone 1, emergency preparedness). Following the assessment, the homeowner receives a customized report containing a Mitigation Checklist with their photos of items requiring mitigation. Wildfire phone advisors, along with the mitigation specialists, help homeowners navigate their individual steps in the process. To learn more about Wildfire Partners, visit www.WildfirePartners.org

SPECIFICATIONS

SCOPE OF WORK FOR FORESTRY CONTRACTORS

Steps for Homeowners Receiving a Wildfire Partners Financial Award

1. **Site Visits and Providing Bids for Removal of Vegetation:** Upon a request from a homeowner, contractors shall perform a site visit and provide the homeowner with a written bid. Contractor may NOT perform site visits and provide bids until after homeowners have completed their home assessment. All vegetation designated for removal will be clearly identified by a Wildfire Mitigation Specialist prior to the contractors visiting home sites. Contractors are not responsible for any identification or marking, and they shall not alter any vegetation identified or marked for removal. Contractors shall provide bids for the cost to remove and properly dispose of ALL identified vegetation—the entire defensible space job. They are NOT permitted to bid on select parts of the job. Contractors are encouraged to review a homeowner’s assessment report during site visits before providing a bid.
2. **Wildfire Partners Financial Award:** Contractors shall not conduct any work until they receive a homeowner’s financial award via email from Boulder County. The financial award email will document the amount of funding Boulder County will provide directly to the contractor and the financial responsibility of the homeowner.
3. **Schedule and Complete Contract Work According to Wildfire Partner Specifications:** Contractors shall schedule and complete the defensible space work documented in their bids after receiving the award email. Homeowners will oversee contractors and approve work. Wildfire Partners specifications will be described during the mandatory annual training and documented in all continuing service contracts.
4. **Complete Forms (Invoicing):** Contractors shall submit invoices to Boulder County with the required information.
5. **Inspection:** Contractors will be required to return and complete, at no additional cost, any defensible space work that fails a future inspection.

Note: Participating Wildfire Partner homeowners are encouraged to obtain three bids from contractors on the Wildfire Partners Forestry Contractors List. However, if a homeowner only wants to obtain one bid, this is allowed.

TRAINING

All Wildfire Partners Forestry Contractors are required to participate in an annual training.

MARKETING

Wildfire Partners will provide homeowners with its 2023 Forestry Contractors List when they are accepted into the program. Visit www.WildfirePartners.org (under “For Homeowners” and “Forestry and Home Contractors”) to view our 2022 list. Contractors are encouraged to have a website to assist with marketing efforts. Homeowners may contact contractors directly to inquire about a contractor’s services, experience and costs. In most cases, the more marketing and recruitment forestry contractors perform, the more projects they are awarded.

SCHEDULING BIDS

Homeowners contact contractors directly to schedule a time to obtain a bid for a Wildfire Partners contract. Contractors shall return all calls and email inquiries within three business days. If they are too busy to respond within this deadline, they are requested to update their phone and email messages to let participants know to expect a delayed response.

TREATMENT METHODS

Each individual job will be different (number of removals, the site conditions, the preferred disposal method, etc.). As a result, this RFP does not contain specifications for each contract. Slash may be hauled off-site or chipped and broadcast on-site according to program guidelines. Contract specifications for stump height, ladder fuels, equipment use, disposal of woody debris, yarding, chipping, environmental safeguards, erosion control, safety, conduct, and other items will be included in each continuing services contract and reviewed during the annual training.

PAYMENT

Contractors shall submit invoices to Boulder County for projects with a financial award. Contractors will typically issue multiple invoices and receive multiple payments for each job when there is a Wildfire Partners Financial Award: 1) one invoice and payment from the homeowner, and 2) one monthly invoice and payment from Boulder County (that usually includes several jobs). Contractors are responsible for collecting payments from homeowners directly.

QUANTITY OF WORK

This RFP is for a continuing services contract. As a result, select contractors are not guaranteed a minimum amount of work. Homeowners are responsible for obtaining and selecting their own bids. If they are receiving a Wildfire Partners Financial Award, they are free to select any bid they choose as long as it is from a Wildfire Partners Forestry Contractor identified through this RFP process.

TIMING OF WORK

Work will begin when contracts are signed and conclude February 28, 2024. Contracts may be extended for additional one-year periods and the sole discretion of Boulder County.

BOULDER COUNTY SAMPLE CONTRACT

THIS CONTRACT ("Contract") is entered into by and between the Board of County Commissioners on behalf of the County of Boulder, State of Colorado, a body corporate and politic, for the benefit of the [Department] ("County") and [Supplier] ("Contractor"). County and Contractor are each a "Party," and collectively the "Parties."

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Incorporation into Contract:** The **Details Summary** is incorporated into this Contract. The **Contract Documents** are incorporated into this Contract by reference, except to the extent that the Proposal, if any is incorporated, contains any obligations placed upon County and not otherwise contained in this Contract.
2. **Work to be Performed:** Contractor will provide all labor and equipment and do all tasks necessary and incidental to performing the work as described in the **Details Summary** and **Contract Documents** (the "Work"). Contractor will perform the Work (a) in a good and workmanlike manner, (b) at its own cost and expense, (c) in accordance with recognized industry standards of care, skill and diligence for the type of work being performed, and (d) in strict accordance with the Contract.
3. **Term of Contract:** The **Contract Term** begins on the **Start Date** and expires on the **Expiration Date**, unless terminated sooner. All the Work must be performed during the **Contract Term**.
4. **Payment for Work Performed:** In consideration of the Work performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed the **Contract Amount** to Contractor in accordance with the **Contract Documents**.
5. **Invoicing:** Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor must submit an invoice to the County by the fifteenth (15th) day of the month for completion of any Work performed in the prior calendar month. All invoices submitted require the following components: Contractor's name and address (submitted W-9 address must match remit address), detailed description of services, dates of services, itemization of labor and materials costs, "Bill to: Boulder County" language, payment remittance address, payer, name and address, date of invoice, unique invoice number, and total amount due. Contractor must send all completed invoices to the **Invoice Contact** in the **Details Summary**. County may require delivery of invoices by email. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract may cause a delay in payment. County may recoup any damages incurred because of Contractor's failure to submit invoices pursuant to the terms of this paragraph. County's acceptance or payment of an invoice will not constitute acceptance of any Work performed under this Contract.
6. **Extra Time to Complete the Work (Additional Time only):** If Contractor cannot complete the Work by the **Expiration Date**, Contractor may request extra time to complete the Work. County, in its sole discretion, may grant Contractor additional time to complete the Work by sending a written notice of extension to Contractor. An extension of time to complete the Work does not entitle Contractor to additional compensation from County.
7. **Extension of Contract Term (Additional Time and Work):** Upon mutual agreement of the Parties, this Contract may be extended until the **Final End Date**. During any extended **Contract Term**, the terms of this Contract will remain in full force and effect, unless otherwise amended in writing by the Parties. Where the Contractor will provide additional services for additional compensation beyond the initial **Contract Amount**, the Parties must execute a written amendment before the then-current **Expiration Date**. If necessary, the written amendment will incorporate an updated Scope of Work and updated Fee Schedule as exhibits. Contractor must provide a current Certificate of Insurance to the County that complies with the **Insurance Requirements** of this Contract, if any, prior to any extended **Contract Term**.

8. **Schedule of Work:** County may designate the hours (on a daily or weekly basis) during which Contractor may perform the Work, strictly for the purposes of minimizing inconvenience to the County and interference with County operations. Contractor will otherwise set its own work schedule.

9. **Indemnity:** Contractor will be liable for any damages to persons or property caused by or arising out of the actions, obligations, or omissions of Contractor, its employees, agents, representatives or other persons acting under Contractor's direction or control in performing or failing to perform the Work under this Contract. Contractor will indemnify and hold harmless County, its elected officials and appointed department heads, and its employees, agents and representatives (the "indemnified parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties as a result or on account of the actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract. Nothing contained in this Contract or the **Contract Documents** is intended to limit or restrict the indemnification rights or obligations of any Party under this provision, or damages available for breaches of the obligations herein.

10. **Nondiscrimination:** Contractor will comply with the Colorado Anti-Discrimination Act, C.R.S. § 24-34-401, et seq., as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. **Information and Reports:** Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. **Independent Contractor:** Contractor is an independent contractor for all purposes in performing the Work. **None of Contractor, its agents, personnel or subcontractors are employees of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.**

13. **Termination**

a. **Breach:** Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party may provide written notice of the breach to the other Party. If the breaching Party does not cure the breach, at its sole expense, as reasonably determined by the non-breaching Party in its sole discretion, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.

b. **Non-Appropriation:** The other provisions of this Contract notwithstanding, County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to

believe that sufficient funds will be available for the full **Contract Term**. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing seven (7) days' written notice to Contractor.

c. Convenience: In addition to any other right to terminate under this Section 13, County may terminate this Contract, in whole or in part, for any or no reason, upon seven (7) days' advance written notice to Contractor.

14. Contractor Obligations upon Termination or Expiration: By the **Expiration Date** or effective date of termination, if earlier, Contractor must (1) remove from County property all of its personnel, equipment, supplies, trash and any hazards created by Contractor, (2) protect any serviceable materials belonging to the County, and (3) take any other action necessary to leave a safe and healthful worksite. Any items remaining on County property after the Expiration Date or the effective date of termination, if earlier, will be deemed abandoned by Contractor.

15. Payable Costs in Event of Early Termination: If County terminates this Contract before the **Expiration Date**, Contractor's payments (and any damages associated with any lawsuit brought by Contractor) are limited to only (1) payment for Work satisfactorily executed and fully and finally completed, as determined by County in its sole discretion, prior to delivery of the notice to terminate, and (2) the reasonable and actual costs Contractor incurred in connection with performing the Work prior to delivery of the notice to terminate. Contractor explicitly waives all claims it may have against the County for any other compensation, such as anticipatory profits or any other consequential, special, incidental, punitive or indirect damages.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies (in addition to any other remedies provided by law or in this Contract), which shall survive expiration or termination of this Contract:

a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County's discretion. Upon County's request, Contractor must correct rejected work at Contractor's sole expense within the time frame established by the County. Upon full and final completion of the corrections satisfactory to the County, County will remit payment to Contractor.

c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or fully and finally complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.

d. Removal: Upon County's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.

17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra-judicial body or person.

18. Conflicts of Interest: Contractor may not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations.

19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact** at the address specified in the **Details Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.

20. Statutory Requirements: This Contract is subject to all statutory requirements that are or may become applicable to counties or political subdivisions of the State of Colorado generally, including but not limited to: C.R.S. §

38-26-107, which requires withholding funds where the County receives a claim for payment from a supplier or subcontractor of Contractor upon notice of final settlement (required for public works contracts that exceed \$150,000); C.R.S. § 8-17-101 et seq.; C.R.S. § 18-8-301, et seq.; and C.R.S. § 18-8-401, et seq.

21. No Suspension or Debarment: Contractor certifies, and warrants for the Contract Term, that neither it nor its principals nor any of its subcontractors are debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Contract by any Federal or State department or agency. Contractor shall comply, and shall require its subcontractors to comply, with subpart C of 2 C.F.R. § 180.

22. Entire Agreement/Binding Effect/Amendments: This Contract represents the complete agreement between the Parties and is fully binding upon them and their successors, heirs, and assigns, if any. This Contract terminates any prior agreements, whether written or oral in whole or in part, between the Parties relating to the Work. This Contract may be amended only by a written agreement signed by both Parties.

23. Assignment/Subcontractors: This Contract may not be assigned or subcontracted by Contractor without the prior written consent of the County. If Contractor subcontracts any of its obligations under this Contract, Contractor will remain liable to the County for those obligations and will also be responsible for subcontractor's performance under, and compliance with, this Contract.

24. Governing Law/Venue: The laws of the State of Colorado govern the construction, interpretation, performance, and enforcement of this Contract. Any claim relating to this Contract or breach thereof may only be brought exclusively in the Courts of the 20th Judicial District of the State of Colorado and the applicable Colorado Appellate Courts.

25. Breach: The failure of either Party to exercise any of its rights under this Contract will not be deemed to be a waiver of such rights or a waiver of any breach of the Contract. All remedies available to a Party in this Contract are cumulative and in addition to every other remedy provided by law.

26. Severability: If any provision of this Contract becomes inoperable for any reason but the fundamental terms and conditions continue to be legal and enforceable, then the remainder of the Contract will continue to be operative and binding on the Parties.

27. Third-Party Beneficiary: Enforcement of the terms and conditions and all rights and obligations of this Contract are reserved to the Parties.
