## **PROPOSAL INSTRUCTIONS**

---

### **1. Purpose/Background**

Launched in 2014, Wildfire Partners is Boulder County's wildfire mitigation program. Homeowners, with the assistance from Wildfire Partners, work to better protect their homes by actively creating and maintaining a home ignition zone with low ignition potential.

Homeowners apply to join the program. Applications that meet all program criteria are accepted into the program as funding and mitigation specialist are available. Over 3,200 homeowners are currently in the program. In 2022, the program expanded to eastern, unincorporated Boulder County on a pilot basis, and the program will continue to work throughout unincorporated Boulder County in 2023. Wildfire Partners offers motivated homeowners different benefits depending on their location. Some of these benefits include:

- A comprehensive, on-site, wildfire home assessment with a Wildfire Mitigation Specialist
- A Wildfire Partners Assessment Report that identifies the weak links in a home's defenses and specific mitigation measures to be undertaken.
- Wildfire Partners Financial Awards
- Free access to Wildfire Partners Phone Advisors
- Follow up visits and inspections with a Wildfire Mitigation Specialist
- For qualifying homeowners who pass their inspections, a Wildfire Partners Certificate, yard sign and letter stating that they have performed mitigation

Homeowners are required to actively participate in their home assessments so that they learn the principles and science behind wildfire mitigation. Homeowners provide essential input to the Wildfire Mitigation Specialists as they mark vegetation for removal as part of the program. The specialists use an iPad assessment app to gather information, take photographs and evaluate 50 mitigation related questions grouped into 10 different categories (i.e., roofs, decks, zone 1, emergency preparedness). Following the assessment, the homeowner receives a customized report containing a Mitigation Checklist with their photos of items requiring mitigation. Wildfire

phone advisors, along with the mitigation specialists, help homeowners navigate their individual steps in the process. To learn more about Wildfire Partners, visit [www.WildfirePartners.org](http://www.WildfirePartners.org)

#### **Qualifications: Knowledge, Skills, and Attitudes**

Applicants are required to have past wildfire mitigation experience, including previous experience with one or more of the following: ignition resistant construction, home hardening/retrofitting,

defensible space marking, and education and outreach. Applicants must provide their own vehicle (qualifying miles are reimbursed at government rate).

- Strong communication and inter-personal skills are required. Specialists will be conducting home assessments alongside homeowners and are required to educate and interact with residents throughout their visits. Effective communication skills are essential for success (25 points maximum).
- Understanding of how wildfires ignite homes and the mitigation measures needed to reduce ignition potential is essential. Field experience assessing and/or mitigating homes, in addition to familiarity with the literature on this subject, is important (25 points maximum).
- Experience or knowledge of how to assess and mark defensible space and/or hazardous fuels treatments is important (20 points maximum).
- Consultants will work part-time; however, consultants who are able to work a set schedule, are willing to work Saturdays, and are able to work at least 16 hours per week are preferred (15 points maximum).
- Applicants who have worked as independent consultants, or who have a strong track record demonstrating their ability to work independently with significant responsibility, are preferred (15 points maximum).

### **Compensation**

Specialists will be paid per completed work product, per home, or per hour depending on the task involved. Specialists will receive \$200 per home for the assessment, technical advising, follow-up tasks, and scheduling assistance; \$150 per inspection; \$200 per training session; \$50 bonus per home for complex assessments; and \$35 per hour for other tasks as assigned. Specialists will be reimbursed for mileage for all travel that is within Boulder County at the standard government rate used by the county. No additional benefits are offered for this work. Advisors must provide their own transportation and insurance. Advisors will be issued a County ipad in order submit the raw data and work products from the assessments and inspections.

### **Quantity and Timing of Work**

The majority of work will take place from April to October. Some work may also take place between November and March. Since home assessments are conducted with residents, Saturdays are our busiest days. No field work will be performed on Sundays. In addition to work on site with homeowners, specialists are required to work remotely corresponding with residents and program staff via email and phone on a regular and timely basis.

Each specialist will negotiate his/her own part-time schedule. Applicants must propose their preferred schedules as part of their bid with minimum blocks of time of 3 hours each between 9:00 a.m. and 6:00 p.m. Monday-Saturday. Applicants shall also list the days and times they are unavailable to work as part of their bid. Applicants will also be asked if they have a minimum or maximum number hours they are available to work in a week, month or year. The actual schedule

of the selected consultants may not match the preferred schedule in their bid documents, but the preferred schedule will be used as a starting point in the negotiation.

Individual wildfire assessments require from one to three hours. The specialist who performs the assessment on a specific home often performs the inspection for the same home at a later date. The amount of times specialists spend on technical advising and follow-up tasks for each assessment also varies.

### **One Bid per Specialist**

**This RFP is designed for one specialist per bid document. If a company has multiple staff members it would like to be considered for this work, it should submit a separate bid for each individual staff member. This is required because the selection process is based on the qualification and experience of each individual specialist, not the overall qualifications and experience of a company with multiple staff.**

THIS CONTRACT ("Contract") is entered into by and between the Board of County Commissioners on behalf of the County of Boulder, State of Colorado, a body corporate and politic, for the benefit of the [Department] ("County") and [Supplier] ("Contractor"). County and Contractor are each a "Party," and collectively the "Parties."

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Incorporation into Contract:** The **Details Summary** is incorporated into this Contract. 3. **Term of Contract:** The **Contract Term** begins on the **Start Date** and expires on the **Expiration Date**, unless terminated sooner. All the Work must be performed during the **Contract Term**.
4. **Payment for Work Performed:** In consideration of the Work performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed the **Contract Amount** to Contractor in accordance with the **Contract Documents**.
5. **Invoicing:** Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor must submit an invoice to the County by the fifteenth (15th) day of the month for completion of any Work performed in the prior calendar month. Contractor must send all completed invoices to the **Invoice Contact** in the **Details Summary**. County may require delivery of invoices by email. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract may cause a delay in payment. County's acceptance or payment of an invoice will not constitute acceptance of any Work performed under this Contract.
6. **Extra Time to Complete the Work (Additional Time only):** If Contractor cannot complete the Work by the **Expiration Date**, Contractor may request extra time to complete the Work. County, in its sole discretion, may grant Contractor additional time to complete the Work by sending a written notice of extension to Contractor. 7. **Extension of Contract Term (Additional Time and Work):** Upon mutual agreement of the Parties, this Contract may be extended until the **Final End Date**. During any extended **Contract Term**, the terms of this Contract will remain in full force and effect, unless otherwise amended in writing by the Parties. If necessary, the written amendment will incorporate an updated Scope of Work and updated Fee Schedule as exhibits. Contractor must provide a current Certificate of Insurance to the County that complies with the **Insurance Requirements** of this Contract, if any, prior to any extended **Contract Term**.

8. **Schedule of Work:** County may designate the hours (on a daily or weekly basis) during which Contractor may perform the Work, strictly for the purposes of minimizing inconvenience to the County and interference with County operations. Contractor will otherwise set its own work schedule.

9. **Indemnity:** Contractor will be liable for any damages to persons or property caused by or arising out of the actions, obligations, or omissions of Contractor, its employees, agents, representatives or other persons acting under Contractor's direction or control in performing or failing to perform the Work under this Contract. Contractor will indemnify and hold harmless County, its elected officials and appointed department heads, and its employees, agents and representatives (the "indemnified parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties as a result or on account of the actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract. Nothing contained in this Contract or the **Contract Documents** is intended to limit or restrict the indemnification rights or obligations of any Party under this provision, or damages available for breaches of the obligations herein.

10. **Nondiscrimination:** Contractor will comply with the Colorado Anti-Discrimination Act, C.R.S. § 24-34-401, et seq., as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. **Information and Reports:** Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. **Independent Contractor:** Contractor is an independent contractor for all purposes in performing the Work. **None of Contractor, its agents, personnel or subcontractors are employees of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.**

13. **Termination**

a. **Breach:** Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party may provide written notice of the breach to the other Party. If the breaching Party does not cure the breach, at its sole expense, as reasonably determined by the non-breaching Party in its sole discretion, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.

b. **Non-Appropriation:** The other provisions of this Contract notwithstanding, County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to

believe that sufficient funds will be available for the full **Contract Term**. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing seven (7) days' written notice to Contractor.

c. Convenience: In addition to any other right to terminate under this Section 13, County may terminate this Contract, in whole or in part, for any or no reason, upon seven (7) days' advance written notice to Contractor.

14. Contractor Obligations upon Termination or Expiration: By the **Expiration Date** or effective date of termination, if earlier, Contractor must (1) remove from County property all of its personnel, equipment, supplies, trash and any hazards created by Contractor, (2) protect any serviceable materials belonging to the County, and (3) take any other action necessary to leave a safe and healthful worksite. Any items remaining on County property after the Expiration Date or the effective date of termination, if earlier, will be deemed abandoned by Contractor.

15. Payable Costs in Event of Early Termination: If County terminates this Contract before the **Expiration Date**, Contractor's payments (and any damages associated with any lawsuit brought by Contractor) are limited to only (1) payment for Work satisfactorily executed and fully and finally completed, as determined by County in its sole discretion, prior to delivery of the notice to terminate, and (2) the reasonable and actual costs Contractor incurred in connection with performing the Work prior to delivery of the notice to terminate. Contractor explicitly waives all claims it may have against the County for any other compensation, such as anticipatory profits or any other consequential, special, incidental, punitive or indirect damages.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies (in addition to any other remedies provided by law or in this Contract), which shall survive expiration or termination of this Contract:

a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County's discretion. Upon County's request, Contractor must correct rejected work at Contractor's sole expense within the time frame established by the County. Upon full and final completion of the corrections satisfactory to the County, County will remit payment to Contractor.

c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or fully and finally complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.

d. Removal: Upon County's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.

17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra-judicial body or person.

18. Conflicts of Interest: Contractor may not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations.

19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact** at the address specified in the **Details Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.
