

## **Eldorado Springs LID Advisory Committee Minutes**

March 16th

TEAMS Video Conference Meeting

**Members Present:** Janet Robinson, Janet Gray, Virginia Gurley

**Guests:** Stephen Sangdahl, Gabby Begeman

**County Staff:** Taylor Ladenburg

**Approval of Minutes:** January and February Minutes approved

### **ORC Ops Report**

- Received timer for our composite sampling
- Passed our wet testing to get methanol approved for use at the treatment plant.
- Finalized remaining task for state compliance
- Walkthrough of abbreviations
- Awaiting news for new testing such as PFAS and more

### **Invoices and Budget**

- Xcel invoices combined to a single invoice
- Increasing standards and regulations may lead to higher testing and plant cost.

### **New/Old Business**

- Read through the meeting expectations
- Taylor working on community outreach, flyers are being updated
- SDMS hoping to get E-billing available by the next billing cycle
- Taylor working through old Macdonald farms invoices to quantify expenses

### **Comments Open for 2025 LID Transfer**

Still waiting on county leadership for more information. Committee reaffirms desire for transparency as information becomes available. The committee is also interested in seeing how budgeting will be divided once funding is decided post 2025.

### **Public Comment**

Stephan Sangdahl: Wants to get more community involvement as LID transfer information and planning starts

The meeting adjourned at 7:36 pm.
