

vapeAWARE Guidelines

- Place devices, components, and e-liquid in a designated bin and secure the lid. When handling vaping devices use gloves when possible to limit your exposure to harmful chemicals.

- If a device, e-liquid bottle, or pod is leaking, place it in a sealable plastic bag (e.g. Ziploc) before placing it into the disposal bin. (Be sure to wear gloves when handling a leaking device/liquid bottle.)

- If a device is the first one in the bin, please add the date to the "accumulation start date" on the Hazardous Waste label.

- Securely store disposal bins in a locked area without authorized access.
- When the waste reaches the line on the disposal bin schedule a waste disposal appointment at www.boco.org/HMMFbizappt.

For questions about:

- Nicotine exposure or poisoning: Call Poison Control at 1.800.222.1222
- Hazardous materials disposal: Call Boulder County Hazardous Materials Management Facility at 720.564.2243
- Tobacco or vaping and health: Call Boulder County Public Health at 303.413.7567
