

**ADDENDUM #2
Parks and Open Space
COALTON OPEN SPACE TRAIL REDESIGN AND CONSTRUCTION PROJECT
BID # 7489-23**

July 27, 2023

The attached addendum supersedes the original Information and Specifications regarding BID # 7489-23 where it adds to, deletes from, clarifies or otherwise modifies. All other conditions and any previous addendums shall remain unchanged.

Please note: BIDS will only be accepted electronically by emailing purchasing@bouldercounty.gov.

1. Bidders are notified the Project timing and phasing has changed.

Due to recent changes in the patterns of sensitive wildlife in the project area, the selected contractor can start the project once all the appropriate bonds, insurance requirements, Draft Contract Review, final signatures of the contract and Notice To Proceed has been issued. **The anticipated start date is still likely to occur in October of 2023 but there will no longer be a need to phase the Project and the selected contractor can work on the entire trail once Notice To Proceed has been issued.**

The section entitled PROJECT SCHEDULE AND PHASING and any other references to phasing the Project no longer apply. The successful bidder will still have 120 calendar days after the Notice to Proceed (NTP) is issued to complete the Project and must be completed on or by March 15, 2024, without exception.

2. Boulder County did not receive any questions for this BID.
