NOTICE OF POSAC PUBLIC SITE VISIT

The Boulder County Parks & Open Space Advisory Committee (POSAC) will attend a site visit on July 27, 5-8 p.m. in lieu of their regular meeting.

The site visit is in preparation for the Integrated Weed Management Plan update. POSAC members will visit local open space properties to learn about the variety of weed management tools the county uses, including mechanical controls, biological controls, herbicides, grazing, and revegetation. More information on this topic can be found on the Boulder County Invasive Plants & Weed Management on Open Space [webpage](#).

Seating for the tour is limited. Members of the public wishing to accompany committee members on the July 27 site visit should contact Tina Nielsen at tnielsen@bouldercounty.gov

This trip will not provide an opportunity for formal public comment; instead, members of the public are invited to give input by attending the POSAC public hearing on the matter on December 21, 2023, in the Commissioners' Hearing Room on the third floor of the Boulder County Courthouse, 1325 Pearl Street, Boulder, Colorado, or by sending comments to POSAC members and staff via the Invasive Plants & Weed Management on Open Space webpage. Public comments will be accepted in early October.

Additional weed management tours are scheduled for July 25 and Aug. 22 and POSAC members may be in attendance. Please see the Weed Management [webpage](#) for more information and to sign up for those trips.
