Part 2: Application Information

Title: ARP Section 5307 Boulder County Operating & Project Admin

FAIN	Application Status	Award Type	Application Cost Center	Date Created	Last Updated Date	From TEAM?
CO-2023-021-00	Application Submitted	Grant	Region 8	5/22/2023	5/22/2023	No

Application Executive Summary

This is an FFY 2021 Section 5307 ARP funding application for Boulder County in the amount of \$34,240,968, representing 100% federal share of the total eligible amount. Boulder County is the direct recipient of small UZA APR Act formula funds for the Boulder County, Lafayette-Louisville-Erie, and Longmont UZA's in Northern Colorado. This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus.

The application scope of work includes Operating and Project Administration and includes 1% security in the amount of \$342,410.

Boulder County certifies that its subrecipients and contractors that are providers of public transportation did furlough employees since March 27, 2020 (the enactment date of the CARES Act) and as such this grant is limited to operating and payroll expenses.

Boulder County agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and

Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Boulder County uses pre-award authority for posting project administration positions to be hired by Boulder County, and no expenses will be noted on the Initial FFR.

Does this application include funds for research and/or development activities?

This award does not include research and development activities.

Pre-Award Authority

This award is using Pre-Award Authority.

Does this application include suballocation funds?

Recipient organization is directly allocated these funds and is eligible to apply for and receive these funds directly.

Will this Grant be using Lapsing Funds?

No, this Grant does not use Lapsing Funds.

Will indirect costs be applied to this application?

This award does not include an indirect cost rate.

Indirect Rate Details: N/A

Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus.

Activities to be performed:

This will fund fixed route operations and on-demand transit services contracted by Boulder County and subrecipients and project administration staff salaries and fringe benefits.

Expected outcomes:

This will reinstate pre-covid levels of service on the HOP route in the City of Boulder and provide on-demand service in areas that lost service after cuts were made to RTD routes.

Intended beneficiaries:

Transit users in Boulder County.

Subrecipient Activities:

The City of Boulder will be a subrecipient of funds from this grant.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or

program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

Date Description	Date
Class IIc CE Approved	

Part 4: Fleet Details

No fleet data exists for this application.

Part 5: FTA Review Comments

There are no review comments to display at this time.
