SUBMISSION INSTRUCTIONS

Reference Number: BID-009-23

Project Name: 95th Resiliency and Reconstruction

Background:

North 95th Street is a Minor Arterial Roadway that needs rehabilitation, repair and resurfacing. Over the past five years, Boulder County has completed six miles of work on this corridor. The remaining two miles includes a large section across the Boulder Creek floodplain that does not meet the current county stormwater conveyance criteria and was overtopped by flood waters. The flood damaged roadway needs repair and resurfacing as well as flood conveyance and resiliency. This includes but is limited to an array of large culverts and slope revetement. In addition to the floodplain work, this road segment will adjust the vertical alignment to improve the safe sight distance.
