Opening available in May

The Eldorado Springs LID Advisory Committee (ESLAC) is a five-person Board of County Commissioners (BOCC) appointed advisory committee made up of resident ratepayers. The ESLAC meets the third Thursday of each month and is joined by the plant operator, the advisory committee members, and County staff who provide the meeting agenda, the meeting minutes and serve as a liaison between the BOCC and the resident ratepayers and other governmental agencies, like the State Department of Water Quality who governs the wastewater operating and discharge permit.
