Minutes – September Approved

Board Brief review

- On average, 32 individuals exit homelessness per month for calendar year 2023.
- City of Longmont increased in September 2023 (52%) with an 19% increase overall annually.
- Across the system, individuals who do not identify as Caucasian or Non-Hispanic are overrepresented in the population experiencing homelessness.

Request to look at evictions. Look at how other cities are tracking hotspots. New to homeless is significant.

Discussion Items

- Initial reflections on Election Day outcomes and potential/anticipated impacts
 - Elected Officials/change in direction?
 - Affordable Housing Tax
 - Safe Zone for Kids
 - City of Boulder Sales Tax Change

Too soon to anticipate changes to HSBC work. Discussion to create an onboarding packet that each entity can use.

- Boulder County Parking Ordinance
- Discussion on how HSBC can support the Sheriff's Office.

- HSBC Evaluation RFP

Reviewed RFP language. Some considerations to add to RFP: Ask evaluator to provide timeframe, remove prospective, clarify how evaluator will reach out to receive feedback from service providers and those experiencing homelessness. Look at the structure of HSBC system. Focus on shorter timeframe with specific deliverable to manage cost.

Estimated cost of \$200K - \$250K. City of Boulder can commit \$100,000. City of Longmont and Boulder County will review budget. Open RFP before January with the work starting in the early part of 2024.

Next steps: Jim will make revisions and do a final review with the policy team and then work with Boulder County procurement to open.

- **HSBC Data Dashboard Demo and Update**

James McManaman and Stephanie Kenny previewed the public facing site based on feedback from the last HSBC meeting.

Overall agreement on format. Some suggestions discussed include link to broader FAQ's, track demographics quarterly, racialize data, aggregated data points, and create downloadable files and/or links to existing data brief,

Next steps: Boulder County will draft a press release for Board review and release when we launch.

Regional Affordable Summit rescheduled to January 29.

City of Longmont

Agape a day shelter in north Longmont on hold. Super 8 hotel closure. Working to map out the process on how they work with hotel managers, the community, and partners. County code enforcement involved with Sugar Mill property. Designated \$60,000 to family hoteling.

City of Boulder

On January 18, the city will present options to council for safe camping. Safe camping isn't in the current budget. The city will hire a civil engineer to provide costs for a couple different sites. Options include people putting up their own tents (no staff) to tiny homes approach. Looking at between 20-30 campers. Evaluating different services options.

Presenting high utilizer group to council asking them if they want this on their workplan for next year, it's an unfunded initiative.

Will be announcing the location for day center soon. The city received additional funding from the state to include behavioral health services. Blue Bird housing opening in about 6 weeks. Broke ground on another 10 PHS units. Will be breaking ground in a month or two on the Diagonal Plaza housing unit. Hilltop, another 12 PHS units, coming in south Boulder.
