

Eldorado Springs LID Advisory Committee Minutes

March 21, 2024

TEAMS Video Conference Meeting

Members Present: Janet Robinson, Virginia Gurley, Janet Gray

Guests: Mary Collins (ORC)

County Staff: Taylor Ladenburg, Jennifer Keyes, Mike Thomas, Steve Durian, Olivia Lucas

Minutes: February minutes approved

Action Items: Plan April Community Meeting: No special meeting is needed as the LIDAC is ready to present the petition to the community and we have had no comments/objections from the community.

Compliance reports: Plant is in compliance.

ORC Ops Report:

- Methanol use is still discontinued (as of 2/8)
- Influent meter at WWTF is having issues. It received a false negative signal and they are working through options to fix it or replace it. (CDPHE Requires daily influent readings)
- New spare feed pump has arrived
- Replaced several UV bulbs, ordering spares as required by CDPHE.
- ORC recommends a spare Dissolved Oxygen sensor (~\$3200). Current DO sensor is working but replacements take too long to receive if needed.
- Another Grinder Pump replaced and is being repaired.

Invoices and Budget

New/Old Business:

- Access to the WWTF in extreme weather conditions are limited. LIDAC and the County agrees that we should have a plan in place for these weather events.

Comments Open for 2025 LID Transfer
