Dear Mr. Hyde-Wright,

The purpose of this letter is to request Boulder County’s approval for a change in project scope regarding the previously awarded FY24 Congestion Mitigation and Air Quality (CMAQ) improvement funds in the amount of \$250,000 to extend the FLEX from Longmont to Boulder. This change entails allocating the funds towards the purchase of on-route chargers for battery electric buses at ~~Transfort’s~~ South Transit Center, an eligible CMAQ expense other than operating assistance for which the funds were originally awarded ([TIP ID#: 2016-011](#)).

| Project Description | TIP ID | FY24 Amount (Federal \$000) | Funding Source |
|-----------------------------|---------------|--|---------------------------|
| On-Route BEB Chargers - STC | 2016-011 | \$250 | CMAQ |

Thank you for your assistance. Please contact me directly at 970-224-6173 or aphillip@fcgov.com if you have any questions.

Sincerely,
Annabelle Phillips |
