NOTICE OF POSAC SITE VISIT

The Boulder County Parks & Open Space Advisory Committee (POSAC) will attend a site visit on Thursday, August 22, starting at 3 p.m. This trip will take approximately two hours.

POSAC members and attendees will see and talk about fire recovery efforts on Parks & Open Space lands after larger wildfires. Several forestry and local experts will speak about what was done at Heil Valley Ranch after the Cal-Wood Fire, as well as how to prioritize areas for reforestation.

This trip is appropriate for all ages. Attendees will travel in vans to various sites, so space is limited. Members of the public wishing to accompany committee members on the site visit must register through [Discover Boulder County](#).

This site visit will not provide an opportunity for formal public comment. The tour is informational only and POSAC will not vote on matters related to this item.
