The forum is open to all viewpoints on this subject, but in order to maintain a safe, comfortable, and welcoming environment, we ask you NOT to post comments that:

- Address subjects unrelated to BCDAO.
- Solicit for commercial products or services.
- Spam or provide unrelated links to other sites.
- Contain profanity, obscenity or nudity.
- Demean or disparage an individual, group of individuals or entity (as determined by a reasonably prudent person knowledgeable of prevailing community standards, who believes that the content ridicules or mocks, is abusive or hostile to, or debases the dignity or stature of any individual, group of individuals or entity).
- Infringe on copyrights or trademarks.
- Compromise the safety or personal privacy of any individual.
- Encourage a violation of any federal, state, local or tribal law.
- Promote or oppose a political party, the election of any candidate for federal, state or local government offices, or initiatives, referendums or other ballot measures.

All comments are reviewed by our site moderator and will be removed if they violate this policy.
